I seek refuge in God from the rejected Satan

In the name of God, Most gracious, most merciful

1	**Now it is time for Muslims groups that submit to God Alone and reject all their hadith and Sunna**

The initial letters refer to the letters that are placed at the beginning of the 29 suras (chapters) of the Quran. There are 14 initial letters in the Quran. The following table shows these letters without repetition in the order in which they appear in the Quran:

ا – ل – م – ص – ر – ك – ه – ى – ع – ط – س – ح – ق – ن

Alef- Laam – Meem – Saad – Ra – Kaaf – Ha – Ya – Ain – Taa – Seen – Hah – Qaaf - Noon

Glory is to the Author of the Quran, there are precisely 114 (19 x 6) verses in the Quran that contain all of the 14 initials

letters. These 114 verses are listed as follows:

[2:19],[2:61],[2:140],[2:187],[2:213],[2:217],[2:220],[2:228],[2:237],[2:260],[2:275],[2:282][2:285],[2:286],[3:93],[3:120],[3:154],[4:4],[4:34],[4:43],[4:46],[4:47],[4:69],[4:90],[4:92][4:102],[4:129],[5:2],[5:3],[5:5],[5:6],[5:13],[5:33],[5:53],[5:75],[5:89],[5:95],[5:96],[5:110][6:71],[6:119],[6:139],[6:151],[6:152],[7:131],[7:160],[7:168],[8:1],[9:29],[9:34],[9:42],[9:71][9:121],[10:4],[10:24],[10:27],[10:93],[11:81],[11:88],[12:9],[12:36],[12:51],[12:80],[12:101],[13:4],[13:31],[13:41],[14:22],[16:76],[17:33],[18:18],[18:28],[18:45],[18:63],[20:71],[20:130][20:132],[20:135],[22:11],[22:19],[22:54],[23:27],[24:31],[24:41],[24:56],[24:58],[24:61],[26:49],[27:59],[28:10],[28:19],[28:23],[28:38],[28:82],[30:48],[33:71],[35:11],[38:22],[38:24],[39:6],[40:64],[40:78],[42:52],[46:30],[47:15],[47:32],[48:29],[49:7],[57:25],[58:4],[61:14],[65:1],[72:28],[73:20]

The reader may check the accuracy of the above statement by

referring to the Arabic text of the individual verses listed. For example, in the verse 2:19 we have all the initial letters of the Quran :

أَوْ كَصَيِّبٍ مِّنَ ٱلسَّمَآءِ فِيهِ ظُلُمَٰتٌ وَرَعْدٌ وَبَرْقٌ يَجْعَلُونَ أَصَٰبِعَهُمْ فِىٓ

ءَاذَانِهِم مِّنَ ٱلصَّوَٰعِقِ حَذَرَ ٱلْمَوْتِ ۚ وَٱللَّهُ مُحِيطٌۢ بِٱلْكَٰفِرِينَ ﴿١٩﴾

What is astonishing about this awesome mathematical miracle is that the number of the suras (chapters) in the Quran is also 114. Indeed, the number 114 is a mathematical representation of the complete Quran. Having the complete set of the Quran's initials in precisely 114 verses represents a mathematical miracle and confirms the Quran's Divine Source. A single addition or omission

from the list of the initials of the Quran would have destroyed this amazing mathematical relationship. This phenomenon also confirms that the Quran is divinely preserved.

Now it is time for Muslims groups that submit to God Alone and reject all their hadith and Sunna.

وَلَقَدْ أَرْسَلْنَا رُسُلًا مِّن قَبْلِكَ مِنْهُم مَّن قَصَصْنَا عَلَيْكَ وَمِنْهُم مَّن لَّمْ نَقْصُصْ عَلَيْكَ ۗ وَمَا كَانَ لِرَسُولٍ أَن يَأْتِيَ بِآيَةٍ إِلَّا بِإِذْنِ اللَّهِ ۚ فَإِذَا جَاءَ أَمْرُ اللَّهِ قُضِيَ بِالْحَقِّ وَخَسِرَ هُنَالِكَ الْمُبْطِلُونَ ﴿٧٨﴾

[40:78] We have sent messengers before you - some of them we mentioned to you, and some we did not mention to you. No messenger can produce any miracle without God's authorization.* Once God's judgment is issued, the truth dominates, and the falsifiers are exposed and humiliated.

It is very interesting that above verse speak about the messengers that we don't know them. The above verse has all 14 initial letters. If you are Muslims and you love go to heaven, you must reject all of your hadith and sunna without any exception. This is not simple test; this is key of happiness for you in this world and in the last day.

2	**The people select hell by their will**

It is not possible to call God in the hell. Those, whom go to hell, can't call God. The hell's condition is such a bad condition.

يَوۡمَ يُكۡشَفُ عَن سَاقٖ وَيُدۡعَوۡنَ إِلَى ٱلسُّجُودِ فَلَا يَسۡتَطِيعُونَ ﴿٤٢﴾

خَٰشِعَةً أَبْصَٰرُهُمْ تَرْهَقُهُمْ ذِلَّةٌ ۖ وَقَدْ كَانُوا۟ يُدْعَوْنَ إِلَى ٱلسُّجُودِ وَهُمْ سَٰلِمُونَ ﴿٤٣﴾

[68:42] The day will come when they will be exposed, and they will be required to fall prostrate, but they will be unable to.

[68:43] With their eyes subdued, humiliation will cover them. They were invited to fall prostrate when they were whole and able.

Those that are in hell, after day of resurrection, the hell for them is one type of life. They eat and drink. They eat from worst foods and they drink from melted Iron. Those people can't call God in that place. Calling God Alone is forbidden in Hell. They are rejected. There is no intercession and tools for them. Indeed, they will be isolated, on that day, from their Lord.

قَالَ ٱخۡسَـُٔواْ فِيهَا وَلَا تُكَلِّمُونِ ١٠٨

[23:108] He will say, "Abide therein, humiliated, and do not speak to Me.

كَلَّآ إِنَّهُمۡ عَن رَّبِّهِمۡ يَوۡمَئِذٖ لَّمَحۡجُوبُونَ ١٥

[83:15] Indeed, they will be isolated, on that day, from their Lord.

Many of people in the world live like hell people. Their life is full of stress, nervousness. They don't call God Alone in this life. For such reason after day of resurrection, they **continue** their life in Hell. We get good result that many of people make hell for them in this current life. They select hell by their will in day of resurrection. Living in this world is the only opportunity for trying in God's forgiveness. We should use this opportunity and call God Alone. God save us from the Hell.

God has granted best situation for

every person

God has created human in the best situation. The God's justice is omnipotent. God does not oppress any one of his servants. He created different situations for people. One person is blind. One is poor, another one is rich. One lives in advanced country. Other lives in undeveloped country. The poor person is in his best situation and state. He/she has best state to returning toward God and repenting to God. If poor person was rich, he/she could never return toward God. But in this situation (poor state) there is hope to be forgiven by God. In result God has given best situation to his servants and for this God says:

لَقَدۡ خَلَقۡنَا ٱلۡإِنسَٰنَ فِيٓ أَحۡسَنِ تَقۡوِيمٖ ٤

ثُمَّ رَدَدۡنَٰهُ أَسۡفَلَ سَٰفِلِينَ ٥

[95:4] We created man in the best situation.

[95:5] Then turned him into the lowliest of the lowly.

Confession

Jonah leaves his people without God's permission and he didn't proclaim message of God. He supposed that he can run away from God. He entered ship and ship was involved in the sea waves. Members of ship taught that they should throw one person away in sea randomly. When they cast lots with arrows, as to which of them should be thrown into see. Jonah had been selected. But they don't like to throw him away in sea, because he was good person. Therefore they casted lot again. Jonah had been selected again for

third time.

This was God's wish because Jonah was sinner at that time. If they casted lot for 40 times, Jonah would have been selected again, because it was God's will. No one can change God's willing. Jonah had thrown away into sea and entered the whale belly. He realized and acknowledged his sin in that dark and hot place. He confessed bout his sin and repented finally. When he confessed about his sin and repented to God, God saved him.

وَذَا ٱلنُّونِ إِذ ذَّهَبَ مُغَاضِبًا فَظَنَّ أَن لَّن نَّقْدِرَ عَلَيْهِ فَنَادَىٰ فِى ٱلظُّلُمَـٰتِ أَن لَّآ إِلَـٰهَ إِلَّآ أَنتَ سُبْحَـٰنَكَ

إِنِّى كُنتُ مِنَ ٱلظَّـٰلِمِينَ ﴿٨٧﴾

فَٱسْتَجَبْنَا لَهُۥ وَنَجَّيْنَـٰهُ مِنَ ٱلْغَمِّ ۚ وَكَذَٰلِكَ نُـۨجِى ٱلْمُؤْمِنِينَ ﴿٨٨﴾

[21:87] And Zan-Noon (Jonah, "the one with Two `N' in his name"), abandoned his mission in protest, thinking that we could not control him. He ended up imploring from the darkness (of the big fish's belly): "There is no god other than You. Be You glorified. I have committed a gross sin."

[21:88] We responded to him, and saved him from the crisis; we thus save the believers.

This story shows that sin confession is very important and confession is main part of repentance. Confession is admitting to sin in front of God and declare his sin for God. Confession is acknowledging his wrong-doings in front of God.

Another example: Job involved in sickness and pain. At first Job taught that God had involved him in pain with no reason only for test. This thinking of Job continued for seven years. But finally Job

confessed about his sin and said to God that the Evil One has afflicted him with distress and pain and suffering. God accepted his repentance and ended pain for Job.

وَٱذۡكُرۡ عَبۡدَنَآ أَيُّوبَ إِذۡ نَادَىٰ رَبَّهُۥٓ أَنِّي مَسَّنِيَ ٱلشَّيۡطَٰنُ بِنُصۡبٖ وَعَذَابٍ ﴿٤١﴾

[38:41] Remember our servant Job: he called upon his Lord, "The devil has afflicted me with hardship and pain."

We must know that beginning of all the suffering and pain are from ourselves. It is us that follow Satan foot prints. Satan is enemy of God and humans. He want all people be in pain. Satan does not want peace for no one. God is merciful and kindness. Sin confession is one important part of life. Without confession, our repentance is not complete. We can't get rid of difficulties without confession.

Materials of This World: All That the Disbelievers Get

[43:33] If it were not that all the people might become one

(disbelieving) congregation, we would have granted everyone who disbelieves in the Most Gracious mansions with silver roofs, and stairs upon which they could climb.

[43:34] Their mansions would have impressive gates, and luxurious furnishings.

[43:35] Also many ornaments. All these are the temporary materials of this lowly life. The Hereafter—at your Lord—is far better for the righteous.

Invisible, Devilish, Companions*

[43:36] Anyone who disregards the message of the Most Gracious, we appoint a devil to be his constant companion.*

[43:37] Such companions will divert them from the path, yet

make them believe that they are guided.

[43:38] When he comes before us he will say, "Oh I wish you were as far from me as the two easts.* What a miserable companion!"

6 Fasting

Many of people always think about benefits and vitamins of foods. They do not think about not eating of food. Hunger also has many benefits. They do not think about benefits of not eating. Fasting means to say "NO" to all materialistic things in periodic time. Fasting will increase age of our body and will remove all poison and extra fats from our body. Muslims now are wrong about end time of fasting in a day. Really Isha (night) Adhan is the End of fasting. Please refer to brother Ahmad Nishitoba site:

http://usn2161.net/siyaamfasting.html

[2:187] Permitted for you is sexual intercourse with your wives during the nights of fasting. They are the keepers of your secrets, and you are the keepers of their secrets. GOD knew that you used to betray your souls, and He has redeemed you, and has pardoned you. Henceforth, you may have intercourse with them, seeking what GOD has permitted for you. You may eat and drink until the white thread of light becomes distinguishable from the dark thread of night at dawn. Then, you shall fast until night. **Sexual intercourse is prohibited if you decide to retreat to the masjid (during the last ten days of Ramadan). These are God's laws; you shall not transgress them. GOD thus clarifies His revelations for the people, that they may attain salvation.**

Many of **Jews** end their fasting in night where complete darkness

will appeared.

Fasting in one day is from first Adhan (Adhan for morning prayer) to last Adhan (Adhan for night prayer).

7

God has unlimited Power

God has unlimited power. From every side, God will do his wills. Pharaoh was proud of the water of river.

وَنَادَىٰ فِرْعَوْنُ فِي قَوْمِهِۦ قَالَ يَٰقَوْمِ أَلَيْسَ لِي مُلْكُ مِصْرَ وَهَٰذِهِ ٱلْأَنْهَٰرُ تَجْرِي مِن تَحْتِيٓ ۖ أَفَلَا تُبْصِرُونَ ٥١

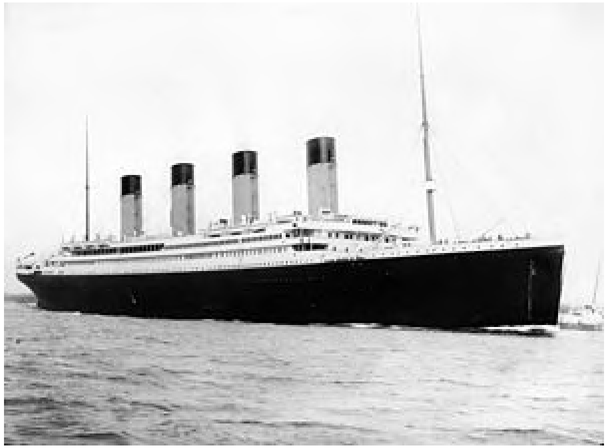

[43:51] Pharaoh announced to his people, "O my people, do I not possess the kingship over Egypt, and these flowing rivers belong to me? Do you not see?

But God humiliated him, and he was destroyed by water of that river. God has unlimited power. Many of people do not go toward God, because of proud. This is reason of all problems. Satan has selected Hell because of his proud. Many of problems in the life is originated from our proud. God will destroy proud men/women by same thing that they are proud of it. If one person is proud of his children, Finally he/she will die because of his children.

8	God can do every thing

Every event in the world is under control of God

After the construction of Titanic, a reporter asked the man who built the Titanic
, how safe the Titanic would be? With an ironic tone he said: "Not even God can sink it".

Wikipedia image

For complete information about titanic ship refer to Wikipedia under word **titanic**. Titanic was a British passenger liner that sank

in the North Atlantic Ocean on 15 April 1912 after colliding with an iceberg. The sinking of Titanic caused the deaths of 1,502 people. It was the largest ship afloat at the time. The ship was designed to be the last word in comfort and equipments and utilities. On 14 April 1912, four days into the crossing and about 375 miles (600 km) south of Newfoundland, she hit an iceberg at 11:40 pm and after two hours and 40 minutes, it went under sea.

The Titanic has gone down in history as the ship that was called unsinkable, but it was only virtually unsinkable. Many of passengers of ship had absolute confidence about titanic. Absolute confidence in other than God; this was the main reason of sinking.

Every thing was against Titanic at that time. It means that God wasn't with it. All factors for saving the titanic was off at that time. This is sign from God. Every power that is against God can be destroyed very easily, because sea, waters, wind, clouds, icebergs,

fire, moon, sky, trees and all is under control of God. Titanic had lost all the factors. The captain of ship didn't see the iceberg, because it was night and there was no moon on the sky. The type of iceberg that Titanic hit it was an invisible type in night. Signals were sent by rockets, at time of sinking Titanic, another ships had shut down its receiver. All factors of nature were against Titanic at that time. This is power of God. When they lost God, all things lost. This is main role of this world.

Please think about ark of Noah. It was designed with simple facilities. The ark was very very easy. God does not need progressive equipments. When God wills to do one great task, it is done. No need to any things. All factors are under command of God. Sea, waters, wind, clouds, icebergs, fire, moon, sky, trees and all work for God. Therefore the goal is 100%. Ark of Noah was onto sea 40 days and 40 nights. And it saved all passengers with command of God. Every task that God is behind it, it is done. This is God's

proven truth: Noah's ark was made of logs, tied together with primitive ropes.

Wikipedia image

[54:13] we carried him on a watercraft made of logs and ropes.

On 14 April 1912, four days into the crossing and about 375 miles

(600 km) south of Newfoundland, Titanic hit an iceberg at **11:40** pm.

Now please see the verse **11:40**,

[11:40] When our judgment came, and the atmosphere boiled over, we said, "Carry on it a pair of each kind,* together with your family, except those who are condemned. Carry with you those who have believed and only a few have believed with him.

Allahu Akbar! The verse 11:40 speak about ark of Noah. Is it random? God is glorified!

11:40 = 1140 =19*60

This sura, sura 11 starts with initial ALR. It is very interesting this verse (11:40) has 38 ALRs.

38=19*2

Gv of word Titanic (تايتانيک) and ship (alsafeenah= السفينه) in Arabic are 892, 236 respectively.

892+236=1128

Now come see verse 11:28

[11:28] He said, "O my people, what if I have a solid proof from my Lord? What if He has blessed me out of His mercy, though you cannot see it? Are we going to force you to believe therein?

Allahu Akbar, very interesting verse 11:28 speak about Noah again. Is this random?

This sura, sura 11 starts with initial ALR. It is very interesting this verse (11:28) has **19** ALRs!

Confidence in Titanic was main reason of sinking. Placing Confidence in another thing or another person except God will sink

finally.

[11:41] He said, "Come on board. In the name of God shall be its sailing, and its mooring. My Lord is Forgiver, Most Merciful."

Every organization or person or family that does not start in the name of God, would be sunk finally like Titanic. The time for self testing of this rule is late. Many organizations and groups and sects in Middle East are not in the name of God, they are in the name of saints. They work for their hadith books. Their final destiny is sinking. Ben Laden like Titanic was destroyed. This must be a good lesson for all Muslims. Now they have to know that Quran alone is book of God. Hadith and Sunna are books of Satan. Accepting this rule is key of happiness. Unfortunately Satan has Hypnotized Muslims.

Last Sin

Satan's greatest weapon against the human is the "last sin" tactic. Every human being during doing the sin thinks it is his last offense. Joseph's brothers throw Joseph into a well, they said: "Let us kill Joseph, or banish him, that you may get some attention from your father. **Afterwards, you can be righteous people**."*

ٱقۡتُلُواْ يُوسُفَ أَوِ ٱطۡرَحُوهُ أَرۡضٗا يَخۡلُ لَكُمۡ وَجۡهُ أَبِيكُمۡ وَتَكُونُواْ مِنۢ بَعۡدِهِۦ قَوۡمٗا صَٰلِحِينَ ٩

[12:9] "Let us kill Joseph, or banish him, that you may get some attention from your father. Afterwards, you can be righteous people."*

Please attention in phrase "Afterwards**, you can be righteous people.** ". Joseph brothers had fallen into this great tactic of

Satan. But experience has shown that such an approach is humiliating for doer of sin. Last sin tactic lead his followers to start new game with Satan. **Last** sin is **start** of new game with Satan. If someone wants to leave sin, should leave **now**, accurately **Now**, not two minutes later, otherwise he/she can not leave the sin at all.

10	God created the world in balance

God created the world in balance , but human destroy it

God has created anything precisely measured. God created the world in balance.

إِنَّا كُلَّ شَيْءٍ خَلَقْنَٰهُ بِقَدَرٍ ﴿٤٩﴾

[54:49] Everything we created is precisely measured.

The number of lions is less than zebras. Lions keep the count of zebras balanced. The number of sparrows are many more than eagles.

If human did not manipulate the nature, everything was balanced. At that time there was no shortage. If humans were not wrong and unjust, there was no poor in the world. Facilities and resources were adequate and equal. There is no Extravagance and wastage in the system of God.

Those who waste resources do not fit in the system of God. The space and other stars are balanced because the human can not reach it. Every part that human reach it, it is not balanced.
I read on the net that a toilet from the home American author J.D. Salinger lived in during the 80s in New Hampshire is currently up for auction on eBay, selling for ready? – **$1 million**.

Read more: **http://newsfeed.time.com/2010/08/17/buy-j-d-salingers-toilet-for-1-million-on-ebay/**

In my view that toilet has zero dollar value. Who buy this? But unfortunately many persons are ready for buying it. How do these people think? Unfortunately in our time many values have been changed. This does not fit in God's system at all.

إِنَّ ٱلْمُبَذِّرِينَ كَانُوٓا۟ إِخْوَٰنَ ٱلشَّيَـٰطِينِ ۖ وَكَانَ ٱلشَّيْطَـٰنُ لِرَبِّهِۦ كَفُورًا ﴿٢٧﴾

[17:27] The extravagant are brethren of the devils, and the devil is unappreciative of his Lord.

11	**Two big mistakes about sin and crime**

A- Those who are committing a sin think that God does not accept them, so they continue to their sin. This scheme is very great scheme of Satan. Many people using this argument will continue their evil crime and sin simply.

قُلْ يَـٰعِبَادِىَ ٱلَّذِينَ أَسْرَفُوا۟ عَلَىٰٓ أَنفُسِهِمْ لَا تَقْنَطُوا۟ مِن رَّحْمَةِ ٱللَّهِ ۚ إِنَّ ٱللَّهَ يَغْفِرُ ٱلذُّنُوبَ جَمِيعًا ۚ إِنَّهُۥ

هُوَ ٱلْغَفُورُ ٱلرَّحِيمُ ٥٣

[39:53] Proclaim: "O My servants who exceeded the limits, never despair of God's mercy. For God forgives all sins. He is the Forgiver, Most Merciful."

B- Many people for avoiding sin, boycott very things against their soul. This is Satan's scheme too. Our God has ordered us to use his gift and his blessing. God knows us better than anyone and he is more aware of our soul. One of the most powerful weapons against evil is using of solvents that God has gave us.

يَٰبَنِىٓ ءَادَمَ خُذُوا۟ زِينَتَكُمْ عِندَ كُلِّ مَسْجِدٍ وَكُلُوا۟ وَٱشْرَبُوا۟ وَلَا تُسْرِفُوٓا۟ ۚ إِنَّهُۥ لَا يُحِبُّ ٱلْمُسْرِفِينَ ٣١

[7:31] O children of Adam, you shall be clean and dress nicely when you go to the masjid. And eat and drink moderately.

Surely, He does not love the gluttons.

وَمِنْ ءَايَـٰتِهِۦٓ أَنْ خَلَقَ لَكُم مِّنْ أَنفُسِكُمْ أَزْوَٰجًا لِّتَسْكُنُوٓا۟ إِلَيْهَا وَجَعَلَ بَيْنَكُم مَّوَدَّةً وَرَحْمَةً ۚ إِنَّ فِى

ذَٰلِكَ لَـَٔايَـٰتٍ لِّقَوْمٍ يَتَفَكَّرُونَ ﴿٢١﴾

[30:21] Among His proofs is that He created for you spouses from among yourselves, in order to have tranquility and contentment with each other, and He placed in your hearts love and care towards your spouses. In this, there are sufficient proofs for people who think.

LAST
CHANCE

If people of hell burn in hell hundreds of year and be brought into this world again, they do not return to God. All powers belong to God. God's justice is absolute. God does not wrong in choosing people for hell. Who enter hell; He/she can't come out. Therefore hell is the eternal. Those who think Hell is not eternal, they are wrong completely. If people of hell go back, they will commit exactly the same crimes.

وَلَوۡ تَرَىٰٓ إِذۡ وُقِفُواْ عَلَى ٱلنَّارِ فَقَالُواْ يَٰلَيۡتَنَا نُرَدُّ وَلَا نُكَذِّبَ بِـَٔايَٰتِ رَبِّنَا وَنَكُونَ مِنَ ٱلۡمُؤۡمِنِينَ ٢٧

[6:27] If only you could see them when they face the hellfire! They would say then, "Woe to us. Oh, we wish we could go back, and never reject our Lord's revelations, and join the believers."

بَلۡ بَدَا لَهُم مَّا كَانُواْ يُخۡفُونَ مِن قَبۡلُۖ وَلَوۡ رُدُّواْ لَعَادُواْ لِمَا نُهُواْ عَنۡهُ وَإِنَّهُمۡ لَكَٰذِبُونَ ٢٨

[6:28] as a matter of fact, (they only say this because) their

secrets have been exposed. If they go back, they will commit exactly the same crimes.* they are liars.

This is because as soon as we enter into our worldly dimension, we become totally unaware of events in the dimension of souls, where God and His angels, and Heaven and Hell, can be seen. Thus, the coming back to this world will not change their behavior, even after seeing that eternal dimension. Based on the above verses, the reincarnation theory is wrong. Being born again does not modify a person. God has created the people with the last test. He created every person in best situation and state. Therefore there is no need to being born again. If the person fails to return to God in the present situation, in any other position will not be able to return to God. Current life is the last chance. it is best situation for every person. So poor person and rich person both have best situation, best situation for returning to God. God has created us and he knows us better.

لَقَدۡ خَلَقۡنَا ٱلۡإِنسَٰنَ فِيٓ أَحۡسَنِ تَقۡوِيمٖ ٤

[95:4] we created man in the best situation.

13	**Do not use hadith and Sunna**

Do not use hadith

Satan extends his words indirectly. God has sent down the Torah, but Satan has made the Talmud. God revealed the Quran, but Satan has created the Hadith and Sunna. Satan's words is 50 -50 false-true. All of hadith and traditions inspired by devils are not wrong. Among the false traditions, Satan also puts a few right

sentences to removing any doubt. For example, see some sentences in hadith:

1 - Prophet Muhammad had no shadow.

2 - Lying is the bad.

3 - Prophet Muhammad will intercede on the Day of Resurrection for Muslims.

Among the three sentences mentioned in the above, meaning of one is not wrong, because the devil absorb the people toward the books of Hadith by the one right sentences. If the all sentences be wrong, no one believes in hadith and sunna.

Please notice the two satanic verses of the Quran.

9:128 Now hath come unto you a Messenger from amongst yourselves: it grieves him that ye should perish: ardently anxious is he over you: to the Believers is he most kind and merciful.

9:129, But if they turn away, Say: "God sufficed me: there is no god

but He: On Him is my trust, - He the Lord of the Throne Supreme!"

-
Hadith 9:129 has the correct meaning, but the Hadith 9:128 saying that the prophet Muhammad is more merciful than God. In this way satan develop his idea like a mischievous. The devil works 50-50. One of two satanic verses has false meaning and other one has true meaning.

It is very interesting that Arabic text of 9:128 and 9:129 have a total of 114 letters.

$$114 = 19 * 6$$

Many Muslims have been on the pretext that they reject the evil hadith and traditions. But they are not aware of, that this strategy is one of Satan's tactics too. Such thinking will create unwanted people like Ben Laden. Such thinking will create sectarianism. One book is a better source or multiple sources with thousands of books? Several gods better, or God Alone?

[12:39] "O my prison mates, are several gods better, or God alone, the One, the Supreme?

Satan's extend his words via the dead. The books of Hadith and Sunna were created when Muhammad was dead. Now Muhammad could not tell why the hadith books are not from him. He could not tell, because he is dead. Satan will use this opportunity to create another book beside Quran. So it was created the Salafist and extremist groups among Muslims.

Satan showed his internal ideas in 9:129. Satan thought that he can be a god beside God. He hoped that, he is the owner of throne like Lord of universe. This can be seen in the satanic verse 9:129.

9:129, But if they turn away, Say: "God sufficient me: there is no god but He: On Him is my trust, - He the Lord of the Throne Supreme!"

Don't use hadith

[18:22] some would say, "They were three; their dog being the fourth," while others would say, "Five; the sixth being their dog," as they guessed. Others said, "Seven," and the eighth was their dog. Say, "My Lord is the best knower of their number." Only a few knew the correct number. Therefore, do not argue with them; just go along with them. You need not consult anyone about this.

The first group would say: "They were three; their dog being the fourth,"
The second group would say: "Five; the sixth being their dog,"
The third group would say: Others said, "Seven," and the eighth was their dog

They are all guess. So, do not argue with them, they just tolerate

them. You do not need to consult with someone about it. Please notice Muhammad's last sermon has three different quotes:

First group: I will leave for you my book and my sunna
Second group: I will leave for you my book and my family
Third group: I will leave for you my book

Muhammad's last sermon is quoted in three different forms. **we can see best similarity between last sermon of prophet Muhammad and verse 18:22**. According to verse 18:22, hadith and Sunna followers are not trusted. Do not argue with them; just go along with them. You need not consult anyone about this. Do not use hadith and sunna for your religion. Muhammad is dead, but GOD is live. God support his book Quran. HE has placed every example in the Quran.

One God, One religion (submission), one source for religion.

14	God did not give any human two hearts

Here is a glass of water that has a certain capacity. Glass has a certain capacity. It can not be placed a barrel of water into a glass. When the glass is full, it will not fit anything else. In this case the water pour out of cup, it overflows and is wasted. The human heart is like glass and has a certain capacity. You can not have God's love into it and loving others too. God has not placed two hearts in human's body.

مَّا جَعَلَ ٱللَّهُ لِرَجُلٍ مِّن قَلْبَيْنِ فِى جَوْفِهِۦ ۚ وَمَا جَعَلَ أَزْوَٰجَكُمُ ٱلَّٰٓـِٔى تُظَٰهِرُونَ مِنْهُنَّ أُمَّهَٰتِكُمْ ۚ وَمَا

جَعَلَ أَدْعِيَآءَكُمْ أَبْنَآءَكُمْ ۚ ذَٰلِكُمْ قَوْلُكُم بِأَفْوَٰهِكُمْ ۖ وَٱللَّهُ يَقُولُ ٱلْحَقَّ وَهُوَ يَهْدِى ٱلسَّبِيلَ ﴿٤﴾

[33:4] God did not give any man two hearts in his chest. Nor did He turn your wives whom you estrange (according to your custom) into your mothers. * Nor did He turn your adopted children into genetic offspring. All these are mere utterances that you have invented. God speaks the truth, and He guides in the (right) path.

When you devote your heart to Jesus or Muhammad, God does not fit into it. There will be no place for God in your heart, because the human heart has limited capacity. Christians have Jesus in their hearts. So there is no room for God. Muslims their hearts are filled

with the names of Muhammad and other saints. There is no place for God. In this state when you want love God, you can't, because your heart is filled with love of saints, with love of other than God. There is no room for God.

وَمِنَ ٱلنَّاسِ مَن يَتَّخِذُ مِن دُونِ ٱللَّهِ أَندَادًا يُحِبُّونَهُمْ كَحُبِّ ٱللَّهِ ۖ وَٱلَّذِينَ ءَامَنُوٓا۟ أَشَدُّ حُبًّا لِّلَّهِ ۗ وَلَوْ يَرَى
ٱلَّذِينَ ظَلَمُوٓا۟ إِذْ يَرَوْنَ ٱلْعَذَابَ أَنَّ ٱلْقُوَّةَ لِلَّهِ جَمِيعًا وَأَنَّ ٱللَّهَ شَدِيدُ ٱلْعَذَابِ ﴿١٦٥﴾

[2:165] yet, some people set up idols to rival God, and love them as if they are God. Those who believe love God the most. If only the transgressors could see themselves when they see the retribution! They will realize then that all power belongs to

God alone, and that God's retribution is awesome.

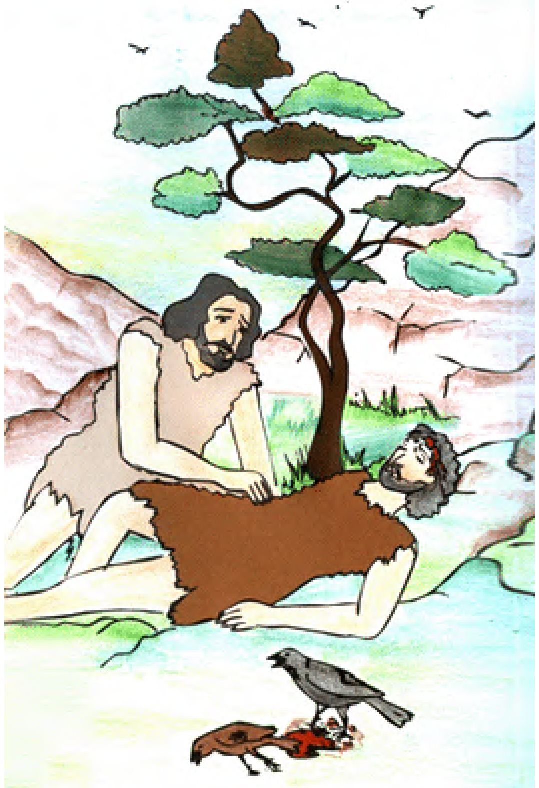

If the human heart is filled with God, there will be no place for other than God. In this situation the man could be saved from evil. The man is protected and saved from idols, because the heart is filled with God and there is no place for saints. There is no place for materials.

If you place water and petrol in a glass, both are unusable. Are several gods better, or God alone, the One, the Supreme? When several gods is in your heart, your heart is unusable.

يَٰصَٰحِبَيِ ٱلسِّجۡنِ ءَأَرۡبَابٞ مُّتَفَرِّقُونَ خَيۡرٌ أَمِ ٱللَّهُ ٱلۡوَٰحِدُ ٱلۡقَهَّارُ ٣٩

[12:39] O my prison mates, are several gods better, or God alone, the One, the Supreme?

15	Human is weaker than a raven

فَبَعَثَ ٱللَّهُ غُرَابًا يَبۡحَثُ فِي ٱلۡأَرۡضِ لِيُرِيَهُۥ كَيۡفَ يُوَٰرِي سَوۡءَةَ أَخِيهِۚ قَالَ يَٰوَيۡلَتَىٰٓ أَعَجَزۡتُ أَنۡ أَكُونَ

مِثْلَ هَـٰذَا ٱلْغُرَابِ فَأُوَٰرِىَ سَوْءَةَ أَخِى ۖ فَأَصْبَحَ مِنَ ٱلنَّـٰدِمِينَ ﴿٣١﴾

[5:31] God then sent a raven to scratch the soil, to teach him how to bury his brother's corpse. He said, "Woe to me; I failed to be as intelligent as this raven, and bury my brother's corpse." He became ridden with remorse.

Human being is weaker than a raven then what diverted him from his Lord?

يَـٰٓأَيُّهَا ٱلْإِنسَـٰنُ مَا غَرَّكَ بِرَبِّكَ ٱلْكَرِيمِ ﴿٦﴾

[82:6] O you human being, what diverted you from your Lord, Most Honorable?

16 | God is

Supreme over His creatures

God is Supreme over His creatures

[6:61] He is Supreme over His creatures, and He appoints guards to protect you. When the appointed time of death comes to any of you, our messengers put him to death without delay.

God is above all. He is above His creatures; no one can escape from the will of God. No One can escape from the punishment of God. Japanese's constructions of homes have graded one in the world. Japanese buildings were built strong to resist earthquakes. Earthquake could not lead to large losses for Japan. But they hadn't foreseen tsunami after the earthquake. All nature is in the hands of God. God always has one thing more. God is one step advanced in the most advanced technology .God always has one more word to say. God does not need to suffer using advanced tools. The country that has weak construction is heated with 6 Richter earthquakes. But for Japan, 8 Richter and subsequent tsunami is

heated.

[65:12] God created seven universes and the same number of earths. The commands flow among them. This is to let you know that God is Omnipotent, and that God is fully aware of all things.

Middle East is filled with the dust from the deserts of Iraq. Middle Eastern people do not have the technology for removing dusts. God is above all. God is the master of all the events. God knows what ethnic or retribution for every nation. God has the disadvantage and weak points of all nations. No one can escape from God. Many people in the world for prevent their death, take and develop several measures and tools. But God is above all things. Every individual and community has a disadvantage. God has the disadvantage of all people and nations.

17	Children

18	Praise be to God

وَٱذۡكُرِ ٱسۡمَ رَبِّكَ بُكۡرَةٗ وَأَصِيلٗا ٢٥

[76:25] And commemorate the name of your Lord day and night.

Mankind usually commits a sin more in special times. The down and the night (eventide) are the times that people miss the God more easily. Because mankind is so energetic in the morning and he can think about sins more easily and if he commit a sin at down, he would get involved in sin until end of day. We can compare such a case to the young age and old age. When most of individuals grow old, they commit a sin more than any times. For this reason God says to us to praise him more in down and night.

Five verses that can change your life

فَأَمَّا مَن طَغَىٰ ﴿٣٧﴾ وَءَاثَرَ ٱلْحَيَوٰةَ ٱلدُّنْيَا ﴿٣٨﴾ فَإِنَّ ٱلْجَحِيمَ هِىَ ٱلْمَأْوَىٰ ﴿٣٩﴾ وَأَمَّا مَنْ خَافَ مَقَامَ رَبِّهِۦ
وَنَهَى ٱلنَّفْسَ عَنِ ٱلْهَوَىٰ ﴿٤٠﴾ فَإِنَّ ٱلْجَنَّةَ هِىَ ٱلْمَأْوَىٰ ﴿٤١﴾

In the name of God, Most gracious Most merciful

As for the one who transgressed.

Who was preoccupied with this life?

Hell will be the abode.

As for the one who reverenced the majesty of his Lord, and enjoined the self from sinful lusts.

Paradise will be the abode.

Noah Ark and Titanic

Noah and his followers made Ark for saving themselves. Ark was very simple and finally saved the believers and brings them to destination. Ark was for GOD and it was created for good intention. Noah's Ark was

created with simple facilities and above all that GOD was behind it for a real purpose. But Titanic was created with best facilities and equipments. Titanic wasn't for real purpose, therefore this ship is not saving his people.

All facilities and devices and people in this life (like car , ship , airplane , house , mobile , wife , friends , children) is like Noah's Ark or is like Titanic. It is up to your use and your intension and selection. Many people are looking for top model of cars, the beautiful woman, rich husband and …. By this way they are making one 'titanic' for themselves; these devices and facilities is a goal for them. For achieving this goal many people follow satanic ideas ; give a bribe , take bribes , to steal , low sale , swindling , lie and … .

[30:7] They care only about things of this world that are visible to them, while being totally oblivious to the Hereafter.

Unfortunately this is the way most people in society will elect. Because they want a facility like Titanic. They don't want a simple and cheaper facility like Ark. These facilities and devices will sink. These facilities and devices don't save them. The life of this world is no more than illusion and vanity, while the abode of the Hereafter is far better for the righteous.

The Noah's Ark is different than 'titanic' :

1- Noah's Ark was for GOD
2- Noah's Ark was created for saving believers
3- Noah made Ark by patience
4- Noah was believer , therefore GOD guided Noah in making Ark
5- Noah made Ark for GOD not for jealousy and not for showing off
6- Finally Ark saved believers

The best way for happiness is selecting the devices and facilities in life like Ark.

[6:32] The life of this world is no more than illusion and vanity, while the abode of the Hereafter is far better for the righteous. Do you not understand?!

[2:86] It is they who bought this lowly life at the expense of the Hereafter. Consequently, the retribution is never commuted for them, nor can they be helped.

The goal of this life is to go back again toward GOD and worshipping Him again. If you intend to buy a car, your goal should be GOD; If your goal is GOD, facilities and devices cost much less to you because you use a cheaper car, but if your goal is not for GOD, the car will sink you and your family finally.

[3:14] Adorned for the people are the worldly pleasures, such as the women, having children, piles upon piles of gold and silver, trained

horses, livestock, and crops. These are the materials of this world. A far better abode is reserved at GOD.

[10:24] The analogy of this worldly life is like this: we send down water from the sky to produce with it all kinds of plants from the earth, and to provide food for the people and the animals. Then, just as the earth is perfectly adorned, and its people think that they are in control thereof, our judgment comes by night or by day,* leaving it completely barren, as if nothing existed the previous day. We thus explain the revelations for people who reflect.

Preoccupation With This Life Leads to Exile From GOD. We must Rearrange Our Priorities in this life. Money and children and top devices and top facilities are the joys of this life, but the righteous works provide an eternal recompense from their Lord, and a far better hope.

[16:107] This is because they have given priority to this life over the Hereafter and GOD does not guide such disbelieving people.

[18:46] Money and children are the joys of this life, but the righteous works provide an eternal recompense from your Lord, and a far better hope.

21 Two gods

[١٦:٥١] وقال الله لا تتخذوا الهين اثنين انما هو اله وحد فايي فارهبون

[16:51] GOD has proclaimed: "Do not worship two gods; there is only one god. You shall reverence Me alone".

Unfortunately, most of today's Muslim pilgrims make it a custom to visit the prophet Muhammad's tomb where they commit the most flagrant acts of idolatry and thus nullify their Hajj. The Quran consistently talks about "The Sacred Mosque," while today's Muslims talk about "The **Two**

Sacred Mosques!” In a glaring act of idolatry, the Muslims have set up Muhammad’s tomb as another “Sacred Mosque!” This is a blasphemous violation of the Quran. (Appendix Rashad Khalifa)

[٤٣:٨٤] وهو الذي في السماء اله وفي الارض اله وهو الحكيم العليم

[٤٣:٨٤] He is the only One who is a deity in the heaven and a deity on earth. He is the Most Wise, the Omniscient.

Many of Christians think that Jesus is deity on earth and GOD is deity in the heaven. Glory be to GOD, He is the only One who is a deity in the heaven and a deity on earth. In their view there is two deities, One on earth and one in heavens. This is a blasphemous violation of the Message of GOD delivered by Jesus and other prophets.

[٥:١١٦] واذ قال الله يعيسى ابن مريم ءانت قلت للناس اتخذوني وامي الهين من دون الله قال سبحنك ما يكون لي ان اقول ما ليس لي بحق ان كنت قلته فقد علمته تعلم ما في نفسي ولا اعلم ما في نفسك انك انت علم الغيوب

[5:116] GOD will say, "O Jesus, son of Mary,* did you say to the people, `Make me and my mother idols beside GOD?' "He will say, "Be You glorified. I could not utter what was not right. Had I said it, You already would have known it. You know my thoughts, and I do not know Your thoughts. You know all the secrets.

The Muslims like Christians have setup many "***two***'s in their life, like **two** sacred mosques, **two** Shahadah , **two** source of religion . GOD did not give any human two hearts. GOD has showed the human ***two*** paths, then human is either appreciative, or unappreciative; There is no two selection. It must be only one selection.

[٧٦:٣] We showed him the two paths, then, he is either appreciative, or unappreciative.

Satan: A Temporary "god"

[٢:٣٠] واذ قال ربك للملئكة اني جاعل في الارض خليفة قالوا اتجعل فيها من يفسد فيها ويسفك الدماء ونحن نسبح بحمدك ونقدس لك قال اني اعلم ما لا تعلمون

[2:30] Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

There is many "*Two's*" in our time. We must reject them except GOD Alone. One of them is Satan; Satan is temporary god on earth for specific time. Our only way for saving ourselves and protecting GOD is rejecting temporary god (Satan) and its illusions. The life of this world is no more than an illusion.

Results of worshipping two gods.

- ***Two* sacred mosques**

1- Sacred mosque in Mecca (مسجدالحرام)
2- Tomb of prophet Mohammad in medina as a second sacred mosque

- ***Two* source of religion**

1- Quran
2- Hadith and Sunna

- ***Two* Shahadah**

1- There is no other god beside GOD (3:18)
2- There is no other god except GOD and Mohammad is messenger of GOD!! (63:1)

- ***Two* type of revelation**

1- Quran

2- Qodsi (holy) hadith that isn't in Quran, but it is from GOD!!!

- ***Two* type calling *God***

1- Call GOD directly

2- Call GOD through saints

- ***Two* mohamad**

1- The Mohammad that lived 63 years

2- The another Mohammad created by hadith narrators lived until 300 years and many hadith was assigned to him

- ***Two* mohamad capability**

1- The one Mohammad don't know the future
2- The another Mohammad that know the future!!!

- ***Two* properties of Messenger**

1- The one that don't intercede his nation on the day of resurrection according to verse 25:30
2- The one that intercede in the day of resurrection and enter half of Muslims into paradise!! !!!

- ***Two* Idea about messengers**

1- Only GOD is Most merciful
2- The messenger Mohammad is Most merciful too according to hadith 9:128

- ***Two type of God's home***

1- Kaaba in Mecca
2- Tomb of their saints

- ***Two type of contact prayer***

1- Mention Only GOD in contact prayers
2- Mention their saints too in contact prayers!

- ***Two type Adhan***

1- Mention Only name of GOD in Adhan
2- Mention their saints too in Adhan

- ***Two Thought about Islam***

1- Abraham was founder of Islam and all prophets were Muslims and follower of Abraham

2- Mohammad was founder of Islam

- ***<u>Two</u> thought about prophet Mohamed***

1- We don't must make difference between messengers of GOD (2:285)

2- Mohammad is the best messengers of GOD!!!

- ***<u>Two</u> type of prohibited meats***

1- Only Four Meats Prohibited (5:3)

2- Many other Meats Prohibited according to Hadith and sunna

- ***<u>Two</u>*** **Greatest Criterion**

1- When GOD ALONE is mentioned, they become satisfied.

2- When others (their saints) are mentioned beside GOD, they become satisfied.

- ***Two* type of heaven and Hell**

1- Heaven and Hell are eternal

2- Hell isn't eternal (It is an established belief among corrupted Muslims that they will suffer in Hell only in proportion to the number of sins they had committed, then they will get out of Hell and go to Heaven. They also believe that Muhammad will intercede on their behalf, and will take them out of Hell. Such beliefs are contrary to the Quran (Appendix 8))

- ***Two* type of redeemption**

1- All Believers Are Redeemed, Regardless of the Name of Their

Religion (2:62).

2- Only Muslims are redeemed

- ***Two*** **Time of hajj**

1- The Hajj (pilgrimage) is in four months (Zul-Hijjah, Muharram, Safar, & Rabi I) (2:197)
2- The Hajj is in ten days of Zul_hijjah only.

- ***Two*** **type of prophet Mohammad**

1- Mohammad is last prophet but not last messenger.
2- Mohammad is last prophet and last messengers both.

- ***Two*** **type of punishment**

[24:2] The adulteress and the adulterer you shall whip each of them a hundred lashes. Do not be swayed by pity from carrying out God's

law, if you truly believe in GOD and the Last Day. And let a group of believers witness their penalty.*

1- The adulteress and the adulterer you shall whip each of them a hundred lashes. (Social pressure, i.e., public witnessing of the penalty, is the basic punishment (see also 5:38). The lashes shall be symbolic, not severe.
2- Stone to death (satanic law in hadith books)

- ***Two*** **Men**

[١٦:٧٦] And GOD cites the example of two men: one is dumb, lacks the ability to do anything, is totally dependent on his master - whichever way he directs him, he cannot produce anything good. Is he equal to one who rules with justice, and is guided in the right path?

1- The one man who rules with justice, and is guided

in the right path?

2- The other one is dumb, lacks the ability to do anything, is totally dependent on his master - whichever way he directs him, he cannot produce anything good.

- ***Two*** **groups**

[3:13] An example has been set for you by the two armies who clashed - one army was fighting in the cause of GOD, while the other was disbelieving. They saw with their own eyes that they were twice as many. GOD supports with His victory whomever He wills. This should provide an assurance for those who possess vision.

- ***Two*** **sons**

[5:27] Recite for them the true history of Adam's two sons. They made an offering, and it was accepted from one of them, but not

from the other. He said, "I will surely kill you." He said, "GOD accepts only from the righteous.

- ***Two*** **Men**

The Quran cites many examples of the different gods that people worship beside God; they include children (7:190), religious leaders and scholars (9:31), property (18:42), dead saints and prophets (16:20-21, 35:14, & 46:5-6), and the ego (25:43, 45:23).

[18:32] Cite for them the example of two men: we gave one of them two gardens of grapes, surrounded by date palms, and placed other crops between them.

Civilization and technologies have solved many problems in human life, but instead have created many other problems. Because the human race assign this technologies to himself. The human race assigns the new technologies (like computer, internet, mobile, car, train, ship and ...) to himself. They don't assign it to GOD. We know that new facilities and new technology for us is not relaxing, day to day it will made us more nervous.

[31:31] Do you not see that the ships roam the sea, carrying God's provisions, to show you some of His proofs? Indeed, these should be sufficient proofs for everyone who is steadfast, appreciative.

We see the blessing of GOD day and night and we use his tools day and night and finally we are blind about it and we don't thank GOD and we don't remember GOD. We turn on the computer every day and don't thank GOD. Really almighty GOD is the only one who created the computer. GOD created the computer by tools. We remember the tools, but we forget the GOD. Glory is to GOD. In favor of using any device,

including computers, car, refrigerator, mobile, ship, train, airplane, pen and ... Thanks be to God. God Thanksgiving is very important. By thanksgiving new devices won't make us nervous and life will be better.

[14:7] Your Lord has decreed: "The more you thank Me, the more I give you." But if you turn unappreciative, then My retribution is severe.

[10:12] When adversity touches the human being, he implores us while lying down, or sitting, or standing up. But as soon as we relieve his adversity, he goes on as if he never implored us to relieve any hardship! The works of the transgressors are thus adorned in their eyes.

The remembering GOD in every using of computer, train, airplane, car, mobile, internet and ... is thanksgiving GOD. Remembering and thanking GOD is connection to GOD. Connection with GOD is only way to rescue ourselves from whispers of Satan. Be certain that there is no other way.

[43:36] Anyone who disregards the message of the Most Gracious (connection to him), we appoint a devil to be his constant companion.

New technology is beautiful when we assign it to GOD, but when you assign it to tools and yourselves, it isn't beautiful, and it is tedious instead. For such reason many people after some time seek refuge into nature. Because they see GOD in nature, but unfortunately they don't see GOD in their new tools and technologies. They see themselves in new technologies instead of seeing GOD. They see their companies in the new devices.

When you go to nature and mountains , you assign the water and the trees to GOD, but when you are at home , you assign your computer , your flower , the water in the freezer and all to yourselves , therefore the nature is delightful but the cold water in your freezer isn't delightful . When we assign objects and tools to ourselves instead of GOD that means that we disconnected from GOD. Disconnecting from GOD create

depression.

Disconnecting from GOD = Connecting to Satan = depression = to get tired = turning unappreciative

[14:7] Your Lord has decreed: "The more you thank Me, the more I give you." But if you turn unappreciative, then My retribution is severe.

Connecting to GOD = Disconnecting from Satan = not depression = to be happy = to hope = real happiness

[43:36] Anyone who disregards the message of the Most Gracious (connection to him); we appoint a devil to be his constant companion.

Connecting to GOD is thanksgiving him , doing five contact prayers , remembering him every time at every events and time , …

Disconnecting from GOD is unappreciative and forgetting GOD and assigning the tools to yourselves , ...

[3:191] They remember GOD while standing, sitting, and on their sides, and they reflect upon the creation of the heavens and the earth: "Our Lord, You did not create all this in vain. Be You glorified. Save us from the retribution of Hell.

Your god is whoever or whatever occupies your mind most of the time. In order to belong in God's kingdom, and enjoy His grace and protection, the Quran exhorts us to remember God and thank him always. If you forget to do this, you must immediately remember your Lord and say, "May my Lord guide me to do better next time."

[18:24] without saying, "GOD willing." If you forget to do this, you must immediately remember your Lord and say, "May my Lord guide me to do better next time."

{35:3] O people, remember God's blessings upon you. Is there any creator other than GOD who provides for you from the heaven and the earth? There is no other god beside Him. How could you deviate?

[89:23] On that day, Gehenna will be brought forth. On that day, the human being will remember - but what a remembrance - it will be too late.

Do not stop remembering and thanksgiving GOD for a moment. It is key of happiness in this life.

23	The law of nature

The law of nature

God can abrogate the laws of nature. The direct intervention of God can disrupt the nature's laws. The Father of Abraham threw Abraham into the fire. But God intervened directly and the fire converted to cool and safe for Abraham. ("Cool," without "and safe" would have caused Abraham to freeze) It means that God is above all nature laws. God is aware of all nature laws with complete details.

[21:69] we said, "O fire, be cool and safe for Abraham."

God intervenes directly for good servants. God with angels will come to first universe at the time of resurrection. Our universe is place of the Devils. Therefore the earth and sun and other stars can not withstand direct presence of God. Therefore direct presence of God breaks all the laws of our universe. The sun will lose its energy. All rules of the solar system would be broken.

[81:1] when the sun is rolled.

[81:2] the stars are crashed into each other.

[81:3] The Mountains are wiped out.

[81:4] the reproduction is halted.

[81:5] the beasts are summoned.

[81:6] the oceans are set aflame.

[81:7] the souls are restored to their bodies.

When God intervene directly in our universe, it would be broken all the laws of nature. Two hundred can defeat two thousand people. God is with those who steadfastly persevere.

[8:66] Now (that many new people have joined you) God has made it easier for you, for He knows that you are not as strong as you used to be.

Henceforth, a hundred steadfast believers can defeat two hundred, and a thousand of you can defeat two thousand by God's leave. God is with those who steadfastly persevere.

We know that Gv of word God in Arabic is 66. It is very interesting that this verse is verse number **66**.

24	The main message of all messengers was "God Alone"

A smart and wise man is not bitten twice from the same hole. We humans never learn from our past. The main theme and aim of all the prophets was "God alone". Historically, all the prophets and messengers, including

Abraham, Moses, Jesus, Mohammed and other messengers proclaimed message of "Only God". Unfortunately, the evil through humans changed it to the slogan "***only our messengers"***. Christians say "only Jesus". Muslims say "Muhammad is the greatest prophet". Unfortunately human can not (does not want) understand the importance of this criteria. Contact Prayers, worship practices, life and death, all must be devoted absolutely to **God alone**. Therefore only God is Savior. Only God is intercessor. Only God is Live. Only God is present. Only God is hearer of our call.

[6:162] Say, "My Contact Prayers (Salat), my worship practices, my life and my death, are all devoted absolutely to God alone, the Lord of the universe.

The Arabic text of above verse is 38 letters.

38 =19*2

قُلْ إِنَّ صَلاَتِي وَنُسُكِي وَمَحْيَايَ وَمَمَاتِي لِلَّهِ رَبِّ الْعَلَمِينَ

Four important words in above verse are: Salaty- Nosoki- Mahyay- Mamaty. It is very important that four above word have 19 letters.

25	Secret

Humans are forgetful and careless. He will soon forget His knowledge. Usually people know how many things. An ordinary person can talk to you about "good" more than one hour. We enjoy watching good movies. We enjoy reading heartbreaking books. When we view the images of African children, we feel sympathy. But all this is just a few moments.

Like Sleepy boy that waken up with a voice of his mother, but goes back to sleep after a few minutes. Why?

The answer is very simple, yet very important. **We do not play such a role in our practical life!** Why do we only see and read and wonder? Why we do not work? If you would like to help the poor, why do not you actually help? That is the secret. We just read. Just talk, just look at the film. We believe in good deeds. In all good faith, but we do not actually do. Such faith is lost quickly. Faith and doing righteous practices must be together.

Faith ←-----------→ righteous deeds

Suppose the one that climb the mountain. Each meter that goes up, his rope is tight with a hammer. If it does not strengthen his rope, he might fall. This person use rope for climbing. Rope is faith and climbing is righteous deeds. **No soul to believe would be of interest, as previously believed and did righteous deeds, the benefits have not got faith.**

26

Idol worshipping removes all previous work

Assume that a person during his lifetime does not use fat food and does not eat too much sugar. He considers all aspects of health. But at the last time he eats some little poison. This small operation eliminates all consideration of his health. This small poison removes all of his previous works and aspects; like a goat that gives milk but at the last time she strikes his foot into bowl of milk and she removes all of milk; or like one who fell from the sky, then gets snatched up by vultures or blown away by the wind into a deep ravine.

[22:31] you shall maintain your devotion absolutely to God alone. Anyone who sets up any idol beside God is like one who fell from the sky, then

gets snatched up by vultures, or blown away by the wind into a deep ravine.

Idol worshipping removes all previous work

[39:65] It has been revealed to you, and to those before you that if you ever commit idol worship, all your works will be nullified, and you will be with the losers.

27	Age of 40

We know that anyone who dies before age of 40 will go to lower heavens directly. Even he/she did bad works during this period. Many of my friends are doubtful about this Most Gracious attribute of GOD. This idea will solve many questions and paradoxes of life. GOD is controlling of all things in the world. Life and death both is under hand of GOD. GOD has created the life and will create death simply for us too.

The best view of age of 40 is from brother Keikhosrow Emami. It was new for me , therefore I mention his article here:

http://www.universalunity.org/40.html

(((((40: The Age of Decision

Quran 46:15 We enjoined the human being to honor his parents. His mother bore him arduously, gave birth to him arduously, and took intimate care of him for thirty months. When he reaches maturity, and reaches the age of forty, he should say, "My Lord, direct me to appreciate the blessings You have bestowed upon me and upon my parents, and to do the righteous work that please you. Let my children be righteous as well. I have repented to You, I am a Submitter."

Mercy is God's attribute, and this mercy includes all the descendants of Adam and Eve. This Divine Mercy is reflected in 46:15. It is important to note that the geometrical value of the names Adam and Eve in Arabic, the language of the Quran, are 46, (1 + 1 + 4 + 40) and 15, (8 + 6 + 1) respectively. It is in 46:15 that Almighty GOD points at 40 as the age of maturity. Thus this God's Mercy, the 40-year respite, is granted to the children of Adam and Eve.

In every human container, the biological container, there are two distinctively different creatures who are roommates for life. One of the two is the Soul, the real person, and the other is the Jinn companion. Jinns are descendants of Satan and their tendency is to push and veer the human container in a wrong direction. These two are not different personalities, they are two different creatures.

There are always quarrels between the Soul and the Jinn, and each side

tries to dominate the other. If the Soul wins, if the Soul succeeds in reforming the Jinn, the chances are that both make it to Heaven. Please note that the Souls and the Jinns do not go to the same Paradise, there are different places designated for each of them. But if the Jinn dominate the Soul, two things can happen: 1) GOD who knows everything terminates the life of the human container before the Age of 40 to rescue the good Soul from the companionship of bad Jinn, the evil devil. And (2) GOD who knows that the Soul and the Jinn are in it together to do bad and evil allows the life of the human container to continue beyond the age of forty. In this case, the final destiny of both the Soul and Jinn is Hell, wherein they shall be gathered together.

When the biological life is terminated before the age of 40, the Soul, the good Soul who was contained in a bad company, is rescued and makes it to Heaven. But the Jinn companion, the evil devil is released and allowed to stay in our universe which is the smallest and the innermost of seven universes for many years. This again is a part of God's Mercy, for He

allows the Jinns to hang around for hundreds of years perhaps they repent and reform. But the Jinn Devils released from human bodies will not make it in most cases. Thus, from the same human container that is terminated before the age of 40, the Soul makes it to Heaven, when its Jinn companion takes its time to go to Hell later.)))))

We must know that physic can not answer all questions. Chemistry,

biology, psychology and sociology, each with their own ways of nature are described, each have their own complexities. Furthermore very important questions are in front of us that are not solved by science, such as the nature of beauty, love and how to live in this world. Hawking as a scientist in the future may be able to tell "how" the world has been created but is never able to answer the "why" we have been created? Hawking can't answer very simple questions by using physic. For example see some simple questions:

- Why we have been created?
- Why Satan is the biggest enemy of human?
- Who we are?
- The purpose of our lives?
- How and why we came into this world?
- Where do we go from here?
- Why some ones die in childish and some ones die after 70?
- Why some ones are poor and some ones are rich?

- Why ....?

"Submission" is the religion whereby we recognize God's absolute authority, and reach an unshakeable conviction that God ALONE possesses all power; no other entity possesses any power that is independent of Him. The natural result of such a realization is to devote our lives and our worship absolutely to God ALONE. The situation is the best state of life.

Who we are? The answer :

http://www.usn2161.net/Satan.html

A writer by the name of Christopher Hitchens in his book called "GOD is not Great" has written that GOD is not great and GOD in the world has no purpose. The author now has cancer and illness and for reporters and him explains that cancer and disease is from tobacco and alcohol; so it has nothing to do with GOD and his disease has no relation with GOD. He can't accept GOD as absolute power of universe in his final moments of his life.

GOD is behind the powers. We must know that Always behind the scenes is the existence of GOD. We can't see GOD. Only believers in the power of GOD understand real world events. They understand that without GOD nothing does happen. Twenty people with faith in GOD can defeat two hundred people. A person with faith in GOD can defeat hundreds. A person with faith in GOD can change one country. Because twenty people are not alone, GOD is with them. But two hundred are alone and GOD is not with them. Each group that GOD is with him isn't Alone and victory

is with him. Power of GOD has no limitation. One person and one million people are like for GOD.

20 people + GOD > 200 people
1 person + GOD > 1 country
1 person + GOD > all dictators in the world

[8:65] O you prophet, you shall exhort the believers to fight. If there are twenty of you who are steadfast, they can defeat two hundred, and a hundred of you can defeat a thousand of those who disbelieved. That is because they are people who do not understand.

Christopher Hitchens claim that GOD isn't great. GOD is great but power of GOD doesn't belong to all people. Allahu Akbar is the phrase in Arabic that means "GOD is greater". Many of Muslims recite this pattern many

times in one day. The flag of Three countries is shaped with Allahu Akbar (Afghanistan – Iraq - Iran). Every submitter must proclaim 111 times pattern "GOD is greater" in his 17 unit contact prayer per day. but unfortunately many of people of these countries don't believe in their flag and what they say in their prayer.

Only believers in the power of GOD understand real world events. Every day hundred people in Iraq and Afghanistan would be killed by bombing. Million people of Pakistan are homeless by flood-water. Many of Iran's cities is dusty. And ... Only believers in the power of GOD understand real world events. These events are from GOD. GOD is behind all events in the world. We can't see this relation. But every event in the world has specific aim. the "Muslims" of today could not possibly be Muslims (submitters). Therefore GOD has left them Alone. The Muslims of today are alone. GOD isn't with them.

(((For as long as the Muslim Ummah upheld Quran, and nothing but

Quran, the Muslims led the world scientifically, technologically, culturally, socially, militarily, and economically. They never lost a single battle. The borders of Islam extended from West Africa to China; into Southern France and Eastern Germany.
With the appearance of Hadith & Sunna at the beginning of the third century AH, a progressive deterioration of the Muslim Ummah began. Since the appearance of these innovations as sources of guidance beside the Quran, the "Muslims" never won a single battle.
Why do 3 million Israelis consistently defeat 150 million Arabs???
Does it make any sense that 3 million Israelis should force 1,000 million "Muslims" out of their Mosque in Jerusalem?
Why does India consistently defeat Pakistan? Why do the Russians invade Afghanistan? etc...etc...etc.
WHY THEN ARE THE "MUSLIMS" DEFEATED?
BECAUSE they refuse to believe God in His repeated statements that Quran is COMPLETE, PERFECT, FULLY DETAILED, and SHALL BE THE ONLY SOURCE OF RELIGIOUS GUIDANCE.

Because they have accepted other sources, namely, Hadith and Sunna, beside Quran.
"Whoever disregards My message (Quran) shall have a miserable life, then we will resurrect him, on the Day of Resurrection, blind. He will say, 'My Lord, why did You resurrect me blind, when I used to be a seer (in the first life)?' (God will say), 'This is because Our revelations came to you, but your forgot them, and consequently, today we forget you.' We thus punish those who exceed the limits and refuse to believe the verses of their Lord. And surely, the retribution in the Hereafter is far worse, and everlasting." (20:124-127)))) Rashad Khalifa book

30	No racism

Recently, scientists using DNA have proved that Hitler has African Jewish roots.

((Adolf Hitler DNA samples suggest that the dictator of Nazi Germany had

both Jewish and African roots.
The tests were conducted by Jean-Paul Mulders, a Belgian journalist, and Marc Vermeeren, a historian, Telegraph reported. The pair tracked down 39 of Hitler's living relatives throughout Europe and America to obtain saliva samples which ultimately suggest African and Jewish ancestry.
Based on reports by NewYorkDailyNews.com, the Haplop group E1b1b (Y-DNA) chromosome found in the samples is rarely found in Western Europeans.
Instead, "it is most commonly found in the Berbers of Morocco, in Algeria, Libya and Tunisia as well as among Ashkenazi and Sephardic Jews," Vermeeren said in Knack, the Belgium magazine in which the findings were published.
Hitler's ancestry has been questioned before as historians suggested he is of Jewish ancestry, but this time there is scientific evidence to back up the claim, and to add to it.))
http://www.thirdage.com/news/adolf-hitler-dna-samples-suggest-jewish-african-roots_8-24-2010

This discovery has several very important points for everyone. Hitler was a racist person. He wanted culture and civilization of the German to govern and manage the world. So he attacked other countries of the world and asked them to bring in its control. This dictator has killed many persons in the world. Because he taught that he is Germania. But he wasn't from Germania root really and he wasn't aware. This proves that Race is the worst criterion for Distinguishing Among The People.

The Only Criterion For Distinguishing Among The People is the most righteous.

[49:13] O people, we created you from the same male and female, and rendered you distinct peoples and tribes, that you may recognize one another. The best among you in the sight of GOD is the most righteous. GOD is Omniscient, Cognizant.

Abortion is murder

Don't kill your children
Abortion is Murder

GOD answer all the requests

If you ask GOD, GOD certainly without exception fulfills your requests. He is Almighty Creator, and he is all over the world. There is no something that is out of his responsibility. Treatment of every diseases, and solving every problem is very simple for GOD. Some of works and problems are impossible in our mind, but for GOD is nothing. Pharaoh was looking for young children. Every kid who found was killed by pharaoh. But GOD Almighty wanted to show Pharaoh his power. Moses

growed up in pharaoh home. We can't imagine The greatness of GOD.

About ten months ago my wife was pregnant. Next months we went to the doctor for status of the fetus and blood tests for my wife. Blood test was done. Doctor Look at tests and told us: you must abort and kill your baby because your baby isn't safe. This news upset us so that my wife was depressed for a few days. After that we went to the Health Center; the doctor after looking at the test told us that you must abort your child.

We told that the abortion is great sin, and he has a live. We do not have the right to kill a living child, that GOD created it. More importantly, the GOD, Lord of universe himself strictly ordered such that abortion is prohibited. We can not disobey God's command.

Abortion is Murder

[17:31] You shall not kill your children due to fear of poverty. We provide

for them, as well as for you. Killing them is a gross offense.

The doctors said: The unsafe child is oppression to your child and yourself and the community! They said that the best way is abortion. Even so that the doctor did not visit my wife again. All those who were informed of this event, they vote on abortion, except some very little. But we decided that instead of abortion; want GOD to grant us a healthy baby. GOD is GOD and he can do any things. Our days and nights were calling GOD for giving a safe baby. Because you know that nothing is impossible for GOD. GOD answers all requests; Just the request must be from the heart, from inside of heart. This situation changed our life. We talk about greatness and power of GOD always in these months. It's GOD who created the entire world and he can very simply give us the healthy baby. GOD is upon all the doctors and experimental. Only GOD knows what is inside the mother's womb.

Things We May and May Not Know*

[31:34] With GOD is the knowledge regarding the Hour (end of the world).* He is the One who sends down the rain, and He knows the contents of the womb. No soul knows what will happen to it tomorrow, and no one knows in which land he or she will die. GOD is Omniscient, Cognizant.

All parameters of the life are from GOD not from doctors. GOD himself has said :

[40:60] Your Lord says, "Implore Me, and I will respond to you. Surely, those who are too arrogant to worship Me will enter Gehenna, forcibly."

Supplication, imploring God for anything, even material luxuries, Even safe baby is a form of worship. Hence the commandment to implore God whenever we have any need. An atheist will never implore God for anything. GOD does not break his promise. We lived with this situation

and this thinking and with hope. Our life was very better than past, because we were calling GOD day and night. Some week before birth of our baby, we were pretty sure the baby is healthy and even in the case we were not worried. This certainty was from GOD because we called GOD Alone. So sure that we did not have the slightest concern. Nine months was passed and the baby was born. Very very thank GOD, the baby was perfectly and 100% healthy. God's power is greater than any power. If you want test the power of GOD in your life, call him Alone. He answers the requests, all requests without any exception. Treating of every disease and every ailment for GOD is possible. GOD is the one that growed up Moses in Pharaoh home. GOD is not unaware of anything. Sees everything, hears everything. Thank GOD Almighty and thanks again.

32 Greatness of God

Some years ago I with my wife bought two small fish. Next day we noticed that two small fish have been died! We could not even keep two small fish

for one day! But GOD maintains and protects billions of fish in the oceans. Greatness of GOD is beyond the minds. GOD is greater than that's what we think. Unfortunately many of people think that rule of nature maintains the universe. Man can not even keep and feed for one day a few small fish. But billions of fish living in the land protection by GOD. Who but GOD is able to control such a system? is not GOD enough for the servants. This is the most profound question. If only for a moment you imagine the number of living organisms on Earth in your mind, the greatness and power of GOD you'll believe. So GOD is sufficient for His servants and we must bring all attention and contact to GOD and just ask him to help. "Our universe, with its billion galaxies, a billion trillion stars, uncountable decillions of heavenly bodies, spanning many billions of light-years, is the smallest and innermost of seven universes. This incomprehensible vastness of the seven universes is within God's hand. Such is the greatness of GOD.(Appendix 6.) "

[39:36] اليس الله بكاف عبده ويخوفونك بالذين من دونه ومن يضلل الله فما له من هاد

[39:36] Is GOD not sufficient for His servant? They frighten you with the idols they set up beside Him. Whomever GOD sends astray, nothing can guide him.

[39:67] They can never fathom the greatness of GOD. The whole earth is within His fist on the Day of Resurrection. In fact, the universes are folded within His right hand.* Be He glorified; He is much too high above needing any partners.

33 Critical brick

God's power is greater than any other power. Imagine that you are an architect and you are constructing the building. During construction, you design one of the bricks in special way, and place it in a certain place of building that others aren't aware of that brick. The property of that special brick is that, if you remove or damage that special brick, the total

building would be destructed. This brick is named "critical brick". Only builder of building can recognize that. The above was just an example.

All sides of our lives, has a critical brick. But only GOD is able to detect this brick. Every time GOD wishes, those bricks would be destructed. Everyone, however powerful, will be determined its critical brick. Titanic was very tight ship. When the Titanic was built and finished, on reporter asked the man that built it: You think that this ship is how much strong? The ship builder with pride and arrogance perfection in his answer said: "So strong that even GOD could not sink it!"

These words show ignorance of the manufacturer about power of GOD. God's power is unpredictable. Everything and everyone has a critical brick. When GOD wishes end that has long life or has powerful equipments, through the wonderful way and simple way destroys it. Many people looking for top homes and top cars and to obtain it, they do anything. But after obtaining it, during a simple accident, all of their lives

would be tested and destructed. God's power is greater than any other power, Greater than any other god of power and force. Nothing is impossible for GOD. Treatment for every disease and every pain under power of GOD is possible. Each disease and problem, probably due to lack of critical brick is formed. Only GOD is able to diagnose it and only GOD can do it and only GOD can solve it and only GOD can repair critical brick. Here we can understand why we should only ask help from GOD and only GOD put his attorney and we just trust him Alone.

[1:4] Master of the Day of Judgment.

[1:5] You alone we worship. You alone we ask for help

[1:6] Guide us in the right path;

GOD himself, stated that:

[40:60] Your Lord says, "Implore Me, and I will respond to you. Surely, those who are too arrogant to worship Me will enter Gehenna, forcibly."

This remark in the verse is not the exception vector. Why GOD is not enough for the servants? Pharaoh was looking for small babies and especially a baby named Moses for to be killed. Pharaoh was searching Moses. But all the critical bricks is under GOD power. Pharaoh wasn't aware of this rule. If GOD wills and wishes, Moses will live and grow in the pharaoh Home. It is interesting that the same thing was done. The baby was grown in pharaoh home. Pharaoh had critical brick that only GOD was aware of it. GOD by using that critical brick, blinded pharaoh. Therefore pharaoh couldn't see Moses and GOD wishes that Moses must to be picked up by an enemy of Moses.

[20:39] Saying: `Throw him into the box, and then throw him into the river. The river will throw him onto the shore, to be picked up by an enemy of Mine and an enemy of his.' I showered you with love from Me,

and I had you made before My watchful eye.

The story of Moses is example of power and greatness of GOD. Every human has critical brick that only GOD is aware of it. If GOD wishes, destruct human by that critical brick.

[57:2] To Him belongs the kingship of the heavens and the earth. He controls life and death. He is Omnipotent.

God's power is greater than any power. Allahu Akbar

34	Confidence in God

Mother of Moses trusted in GOD inspiration and throws her child into the river without any fear or grief (28:7 to 28:13). Therefore GOD answered

her confidence. When we trusts in God's revelation and accept them, GOD will answer us as soon as and will guide us in right path. Moses mother trusted God's command and GOD save her child and restored him to his mother. Isn't it interesting for you? We must know that God's promise is the truth. However unfortunately, most of us do not trust GOD and his commands. Every one confident and trusts in GOD would be guided to right path without any problem. GOD Alone is the best reliable and trustworthy.

[47:21] Obedience and righteous utterances are expected of them. If only they showed confidence in GOD, when mobilization was called for, it would have been better for them.

[28:7] We inspired Moses' mother: "Nurse him, and when you fear for his life, throw him into the river without fear or grief. We will return him to you, and will make him one of the messengers."

[28:13] Thus, we restored him to his mother, in order to please her, remove her worries, and to let her know that GOD's promise is the truth. However, most of them do not know.

GOD is glorified.

35

Guidance is with GOD Alone

Only GOD Guides

(Theory of Mahdi is false)

Many of Muslims believe that some persons will come and guide people to

right path. They are waiting for these persons. Unfortunately They reject messages of GOD by new messengers of GOD like Rashad Khalifa. Theory of Mahdi in hadith books is illusions all. GOD is the one that really guide the people. Messengers of GOD only deliver the message. Guiding is with GOD.

[1:5] You alone we worship. You alone we ask for help.

[1:6] Guide us in the right path;

[1:7] the path of those whom You blessed; not of those who have deserved wrath, nor of the strayers.

Therefore Guidance is with GOD and there is no person named Mahdi. GOD is the only One who guides in accordance with His will. We must seek refuge in GOD Alone for guidance. Books and messengers are only a

cause. Love GOD, connection with GOD "Always" with all hearts is key of Guiding. Many persons know many things from the Quran, but they aren't guided.

[28:56] انك لا تهدي من احببت ولكن الله يهدي من يشاء وهو اعلم بالمهتدين

[28:56] You cannot guide the ones you love. GOD is the only One who guides in accordance with His will, and in accordance with His knowledge of those who deserve the guidance.

[10:43] ومنهم من ينظر اليك افانت تهدي العمي ولو كانوا لا يبصرون

[10:43] Some of them look at you, but can you guide the blind, even though they do not see?

36

Worshipping God conditionally!!!

Among the people there is the one who worships God conditionally. If things go his way, he is content. But if some adversity befalls him, he makes an about-face (22:11).

Among the people there is ones who assign bad events to God and assign good events to consequence of his own deeds. They do not assign bad events to consequence of their own deeds. God does not want badly events for humans. God does not want bad conditions for humans. Anything bad that happens to us is a consequence of our own deeds. Among the people there is the one who assign empty part of glass to God.

Good events don’t happen when you do not trust in God. Good events happen when you trust in God. When we trust God, we recognize what is bad and what is good?

وَمِنَ ٱلنَّاسِ مَن يَعۡبُدُ ٱللَّهَ عَلَىٰ حَرۡفٖۖ فَإِنۡ أَصَابَهُۥ خَيۡرٌ ٱطۡمَأَنَّ بِهِۦۖ وَإِنۡ أَصَابَتۡهُ فِتۡنَةٌ ٱنقَلَبَ عَلَىٰ
وَجۡهِهِۦ خَسِرَ ٱلدُّنۡيَا وَٱلۡأٓخِرَةَۚ ذَٰلِكَ هُوَ ٱلۡخُسۡرَانُ ٱلۡمُبِينُ ١١

[22:11] Among the people there is the one who worships God conditionally. If things go his way, he is content. But if some adversity befalls him, he makes an about-face. Thus, he loses both this life and the Hereafter. Such is the real loss.

Anyone who trusts in God, He suffices him

[65:2] Once the interim is fulfilled, you may reconcile with them equitably, or go through with the separation equitably. You shall have two equitable witnesses witness the divorce before God. This is to enlighten those who believe in God and the Last Day. Anyone who reverences God, He will create an exit for him.

[65:3] And will provide for him whence he never expected. Anyone who trusts in God, He suffices him. God's commands are done. God has decreed for everything its fate.

Be careful about your wishes

Be careful about your Jealousy

One day **Qaroon** (Korah) come out with his facilities and his utilities. Those who choose to live in this down world said, "**we wish we had these features and utilities. Truly, Korah is happy person, He has the best facilities. Life of Korah is real life**" .
After a while, the earth perished Korah. His wealth could not save him. His wealth did not do anything for him. God is aware of all thoughts of servants. Every wish and Jealousy is not allowed. Man should be content with what God has given him. Man without God has nothing.

وَٱلْعَـٰقِبَةُ لِلْمُتَّقِينَ ﴿٨٣﴾

[28:76] Qãroon (the slave driver) was one of Moses' people who betrayed them and oppressed them. We gave him so many treasures that the keys thereof were almost too heavy for the strongest band. His people said to him, "Do not be so arrogant; God does not love those who are arrogant.

[28:77] "Use the provisions bestowed upon you by God to seek the abode of the Hereafter, without neglecting your share in this world.

Be charitable, as God has been charitable towards you. Do not keep on corrupting the earth. God does not love the corruptors."

[28:78] He said, "I attained all this because of my own cleverness." Did he not realize that God had annihilated before him generations that were much stronger than he, and greater in number? The (annihilated) transgressors were not asked about their crimes.

[28:79] One day, he came out to his people in full splendor. Those who preferred this worldly life said, "Oh, we wish that we possess what Qãroon has attained. Indeed, he is very fortunate."

[28:80] As for those who were blessed with knowledge, they said, "Woe to you, God's recompense is far better for those who believe and lead a righteous life." None attains this except the steadfast.

[28:81] We then caused the earth to swallow him and his mansion.

No army could have helped him against God; he was not destined to be a winner.

[28:82] Those who were envious of him the day before said, "Now we realize that God is the One who provides for whomever He chooses from among His servants, and withholds. If it were not for God's grace towards us, He could have caused the earth to swallow us too. We now realize that the disbelievers never succeed."

[28:83] We reserve the abode of the Hereafter for those who do not seek exaltation on earth, nor corruption. The ultimate victory belongs to the righteous.

Satan is our enemy. We should be his enemy too. If we confine to statement "Satan is our enemy", we will not succeed in battle against him. We must accept that "we must be his enemy". Enmity with Satan is mutual (bidirectional).

Satan is our enemy
and
We must be enemy of Satan

Usually we make arrangements to deal with the enemy. When we go out the home, we lock the door to prevent the thief. We must make arrangements to deal with the devil. We must prepare our environment to deal with the devil. We should not put ourselves at risk of attack by Satan.

Mutual hostility

Man <-------------------------> Satan

The devil is our enemy, so we must treat him as an enemy

For example, we should not attend in the places with the possibility of straying. We should not be present in the places with the possibility of deviate from the norm. We must choose movies that are safe. We need to be careful in choosing our friends. We should close the door of our weaknesses. We must find our weaknesses points. For this you can find your weaknesses points by asking yourself some simple questions:

What was your last sin?
What caused to do it?
Who directed you toward that sin?

Solution:

The next time you must close the doors. You must close the cause. You must leave the friends that directed you toward it. You must be cautious and aware of Satan's attack.

إِنَّ ٱلشَّيْطَـٰنَ لَكُمْ عَدُوٌّ فَٱتَّخِذُوهُ عَدُوًّا ۚ إِنَّمَا يَدْعُوا۟ حِزْبَهُۥ لِيَكُونُوا۟ مِنْ أَصْحَـٰبِ ٱلسَّعِيرِ ﴿٦﴾

[35:6] The devil is your enemy, so treat him as an enemy. He only invites his party to be the dwellers of Hell.

Satan invites his party to be the dwellers of Hell. Because Satan does not want be Alone in hell.

God has created seven universes. The smallest universe that we are living in it, is heaven number one. There are two types of power in universe number one. God's forces and the evil's forces. Disbeliever Jinns are evil forces and angels are forces of God. Forces of God (angels) started to serve humans except Satan and his tribe. Since the beginning of the creation of Adam, the angels wanted to serve people (2:30). Evil forces that oppose God, they are rejected. Forces of God and the forces of evil are unseen. This is great war. This war is between us and Satan. We must remember again that in the heavens number one (unlike the other six heavens), there are evil forces too. Calling other than God is related to evil forces. Calling other than God is idol worshipping. Many of people in the world call angels, Jesus, Mohammad and other persons for their requests. This is forbidden by God strictly and absolutely. Pagans in time of prophet Mohammad called Angels for their request.

[34:40] On the day when He summons them all, He will say to the

angels, "Did these people worship you?"

When you call other than God, when you call any person beside God, You are calling Jinns, but you are not aware. People who want to get help from the saints, without realizing it, their work is useless, because they are requesting from the devils. As a matter of fact, these people only worship a rebellious devil.

[34:41] They will answer, "Be You glorified. You are our Lord and Master, not them. Instead, they were worshiping the jinns; most of them were believers therein."

People idolize Jesus, Mary, Muhammad, Ali, and/or the saints; such idols are unaware and utterly powerless. Even when they were alive on this earth, they were powerless. Our universe is full of devils. Jesus and Mohammad are dead. They can not hear your call. Even if they were able

to hear you, they can not respond you.

[35:14] If you call on them, they cannot hear you. Even if they hear you, they cannot respond to you. On the Day of Resurrection, they will disown you. None can inform you like the Most Cognizant.

[4:117] They even worship female gods besides Him; as a matter of fact, they only worship a rebellious devil.

[7:194] The idols you invoke besides God are creatures like you. Go ahead and call upon them; let them respond to you, if you are right.

[46:5] Who is farther astray than those who idolize beside God idols that can never respond to them until the Day of Resurrection, and are totally unaware of their worship?

Some people have refused to learn the important fact that God is nearer than the jugular vein to them. These people apply this fact to their saints without aware of it. Merciful God has promised that Anyone who disregards the Most Gracious, God appoint for him a devil to be his constant double .

[43:36] Anyone who disregards the message of the Most Gracious, we appoint a devil to be his constant companion.

These people are unreliable because they are always accompanied by a rebellious devil, Because they have a constant devil always.

[13:14] Imploring Him is the only legitimate supplication, while the idols they implore beside Him, cannot ever respond. Thus, they are like those who stretch their hands to the water, but nothing reaches their mouths. The supplications of the disbelievers are in vain.

[3:80] Nor would he command you to idolize the angels and the prophets as lords. Would he exhort you to disbelieve after becoming submitters?

40

Alcohol , big lie

Whatever God has prohibited, human is encouraged to do so. God told Adam and Eve to not eat of the forbidden tree, but they ate. God has created great number of good things, but people are willing to eat the forbidden. The main reason for this tendency is the devil. Satan is the enemy of God; he just wants people not to listen to the word of God. Who drink alcohol; do not drink it for the taste. They think it is good for abandoning. This idea is not peaceful, it is very harmful. People, who consume alcohol, just think that their soul's problems are solved. If the problems had been solved, they not were drinking again. People who consume alcoholic, they falsely believe that alcohol is a great comfort.

They will develop a big lie within their soul. Human cannot feel comfort with big lie within himself.

41

Why at last minute God answers prayers?

Why usually at last minute God answers prayers?

When human is afflicted with hardship and his problem was serious, he implores his lord sincerely. At this time, he devotes his prayer to God alone purely. At last minutes, human realizes that only God is skilled to do many things and Only God can hears the voice of all and only God can sees all, Therefore God answer the prayer at last minute. Only pure

prayer can climb to God. Impure prayer does not climb to God. Impure prayers climb to devils, Because the system of devils is based on impurity and lie.

[39:8] When the human being is afflicted, he implores his Lord, sincerely devoted to Him. But, as soon as He blesses him, he forgets his previous imploring, sets up idols to rank with God and to divert others from His path. Say, "Enjoy your disbelief temporarily; you have incurred the hellfire."

God answers prayer very honestly. However, as soon as He blesses him, he forgets his previous imploring, sets up idols to rank with God and to divert others from His path.

You suppose that you need some money and you go to near two persons and one of them tell you wait until two months and then I can give you some money but other person tell you that I give you that money tomorrow. But the second person is liar he just keeps ones promise in untrue way. The second person does not remain faithful. But first person remain faithful. Who is a good man, the first person or the second? The second person fascinates you under the pretext of preparing money faster than another person.

Most of people trend to trust second person. The second person is Satan. Satan promises us lie. Nevertheless most of people choose Satan. The human is oblivious and to be deceived very soon. He will be deceived many times. You suppose if your friend lies to you then you do not trust him again and you will be annoyed by him. But you do not act such a way for Satan. Satan will not be seen, and most of people do not think about this. But Satan is the biggest enemy of mankind. Satan promises

us lie many times in one day, but we will not be annoyed by him! Satan promises us untrue words but we do not take Satan in to account as our enemy. We should believe that these invisible creatures are our enemies. Devils just promise us untrue words. If you do Satan whispers because of Satan's temptation, Satan does not release you, but he wants to infamous you after that, in this state Satan does not support you, then he want to kill you under any condition. And want you to have no believing under death. Satan does not want any peace for his followers. Do are faithful these creatures?

Satan whispers you □ Satan persuade you to do sin □ after doing sin Satan infamous you □ Satan does not support you □ Satan want destroy your life □ Satan want make you disbeliever until death moment □ they enjoy of deviating mankind □ They do not stop their whispers for human even for the satanic humans.

Do are faithful these creatures?

We should accept this reality that these creatures are our enemies and we should be their enemies too. Human lives in a recession way. The human kind have been metamorphosis and hypnotized by Satan and devils. We are in a selection situation, the selection between God and Satan, we must be very careful.

You should reject any of things that keep you away from God. One day Solomon had been attracted by his horses so that he forgave God. Solomon leaves his horses completely for compensating that forgiveness. Solomon missed his afternoon prayer because of his horses. To nullify Satan's possible claim that Solomon loved his horses more than loving God, he got rid of his horses. One thing that keeps away us from god, we should leave that strongly and seriously.

[38:31] One day he became preoccupied with beautiful horses, until the night fell.
[38:32] He then said, "I enjoyed the material things more than I enjoyed worshiping my Lord, until the sun was gone.*"

43	Preferring God's instructions

The God's instructions are very important, while they are simple. It is important to do God's instructions. Praying should be done just for God alone. There is not any name beside God's name. This prompt and statement is very important while it is simple. As a result some of commands are so important while they are very simple. God has created

us and he knows better that what our weakness point is benefit for Satan. Because of this the God's commands are best way to solve problems. We should trust them even we have no reason for them.

For example one says to you that do not attach the electrical box. This point is very important while it is simple. Because once you make a mistake, it has very bad consequence.

Suppose that you lose the way in darkness and you have light. You should handle light in front of yourself to see your way. If you take your light in your back you can not see your front. In this example the light (handling it in font) is God's instructions. We should prefer God's instructions on other instructions. If we do not execute that, it is like that we hold light in our back. In this situation we proceed toward Satan while we do not understand it.

Because of this God says "my servants come back to me". It means that

follow the God's examples. It means that do not hold your light in your back but in your front.

[89:28] return to your Lord, pleased and pleasing.

[11:90] you shall implore your Lord for forgiveness, and then repent to Him. My Lord is Most Merciful, Kind."

[39:54] you shall obey your Lord, and submit to Him totally, before the retribution overtakes you, and then you cannot be helped.

Some people go toward Satan without they understand that. While they think that they are going ahead toward God.

[18:104] "They are the ones whose works in this life are totally astray, but they think that they are doing well."

Inner opposition

Some people do not perform daily contact prayer or they do them in a moody behavior, because they have no motivation and incentive to pray. They assume that their praying has no result for them. Contact prayer does not take a long time in day. Each contact prayer takes one minute and as a result all of daily contact prayers take five minute along. Then why this five minute praying is so hard for some people?

Most of young people have stagnation and moody state and have no motivation and incentive for praying. The main reason of this moody state and not pay attention to praying is inner opposition. Inner opposition is means that people is doing sins and addicted to those sins and in other

side they want do prayer. Then he has tendency toward Satan and so has no motivation to pray. Humankind can not worship God and in other side has other idols in his mind. Humankind has only one choice, God or others?

sins + prayer = inner opposition

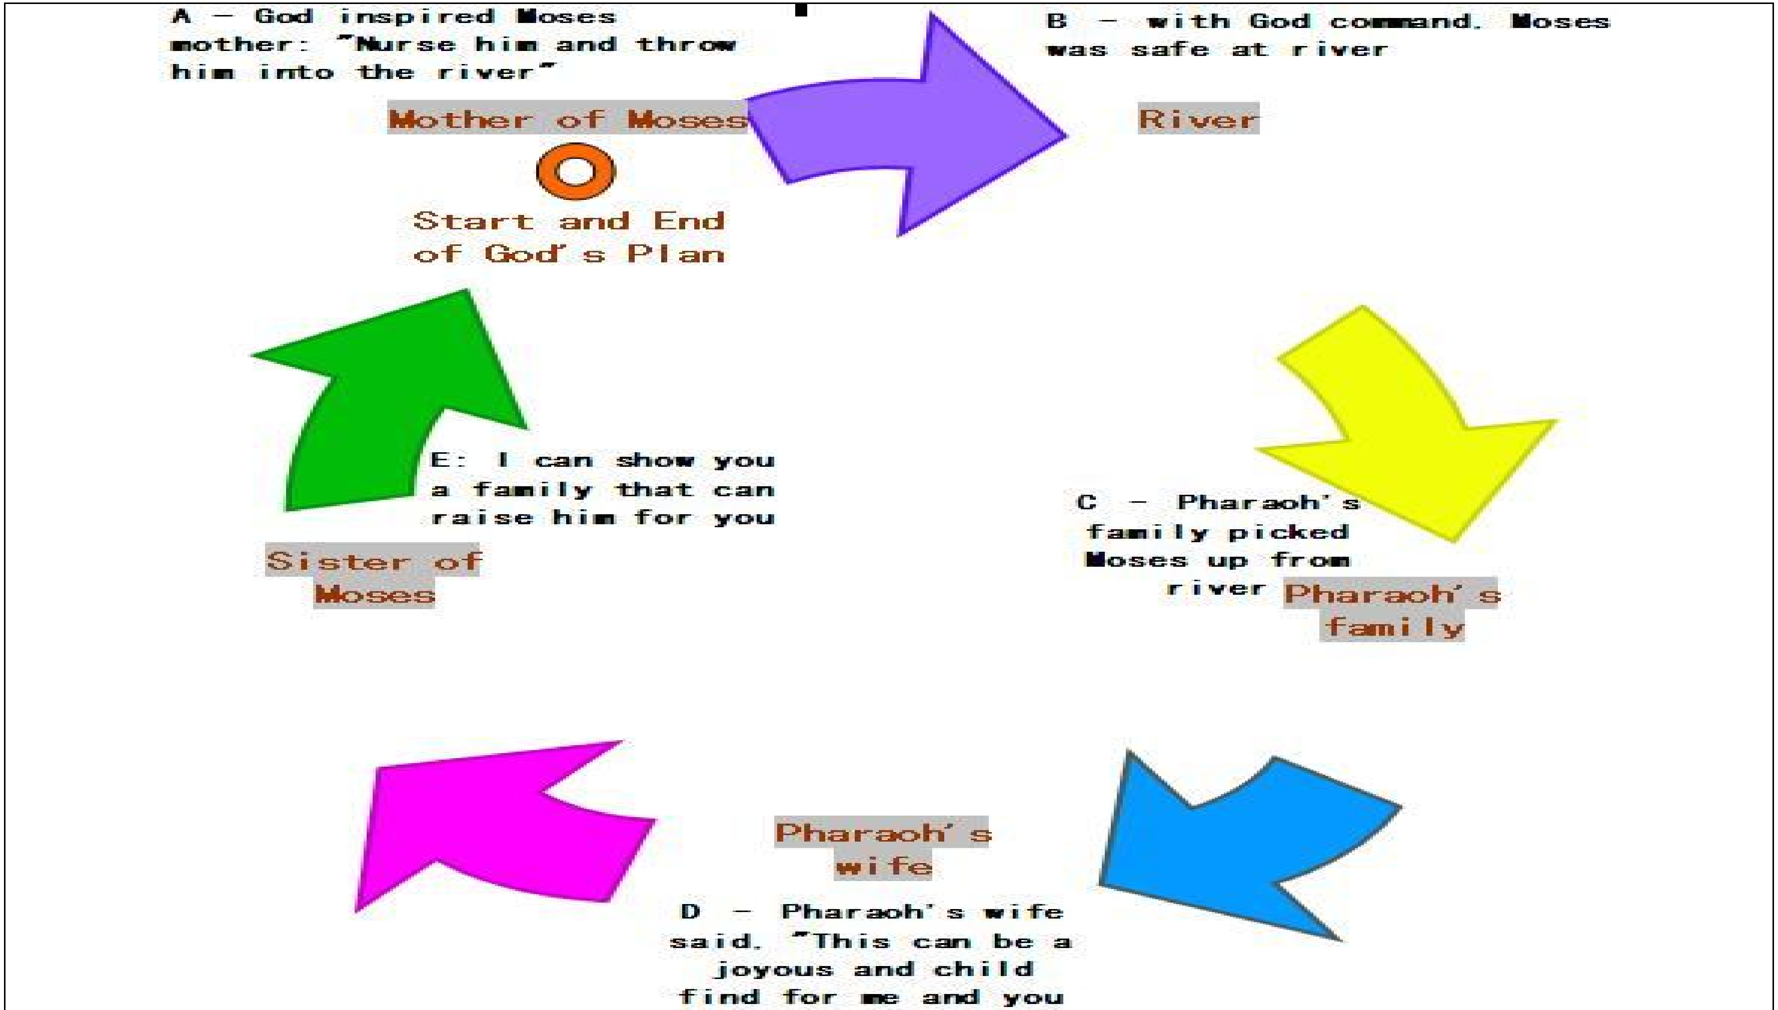

[107:4] and woe to those who observe the contact prayers (Salat)-

[107:5] who are totally heedless of their prayers.

Mankind can imagine only one God in essence, if one follows his carnal desire, in the end he can not contact with God, because he has selected another god as his idol. Subsequently will be occur inner opposition. He wants worship both of them, God and carnal desires. It is not possible to collect these two contradictions. Because of this he loss motivation of

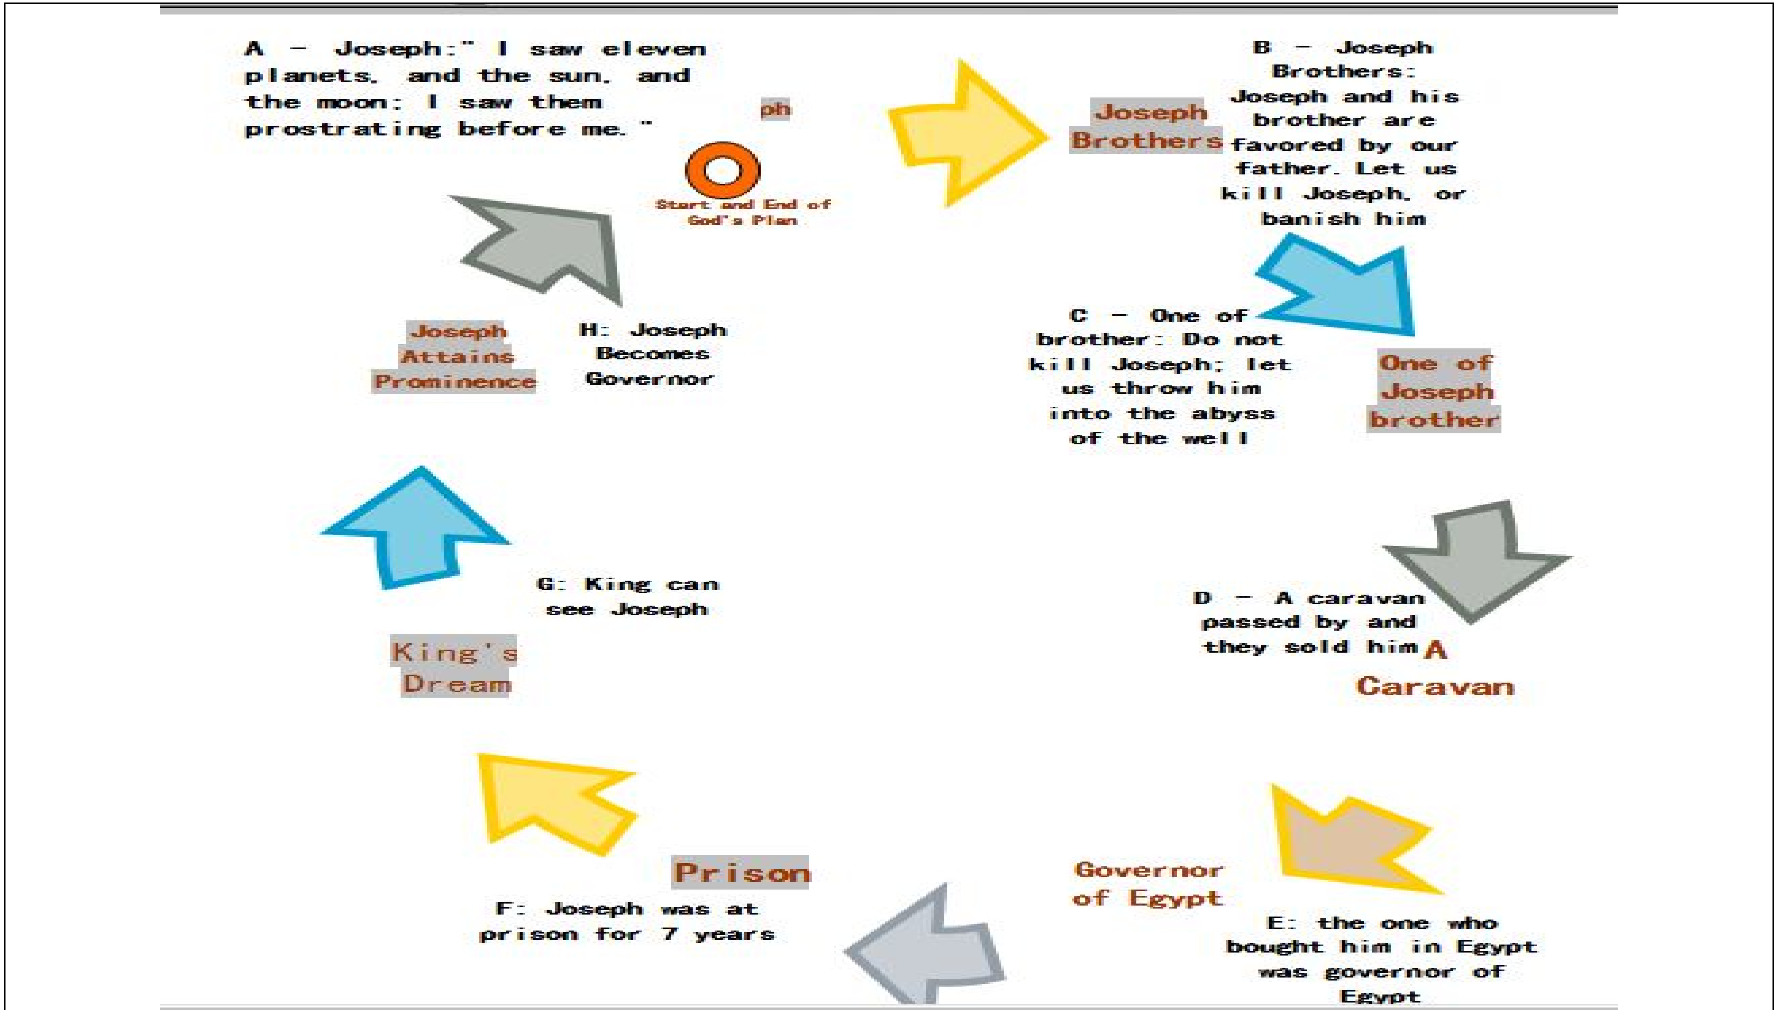

worshipping God and after some time he leaves praying or he does praying in moody state.

Hellish nightmare

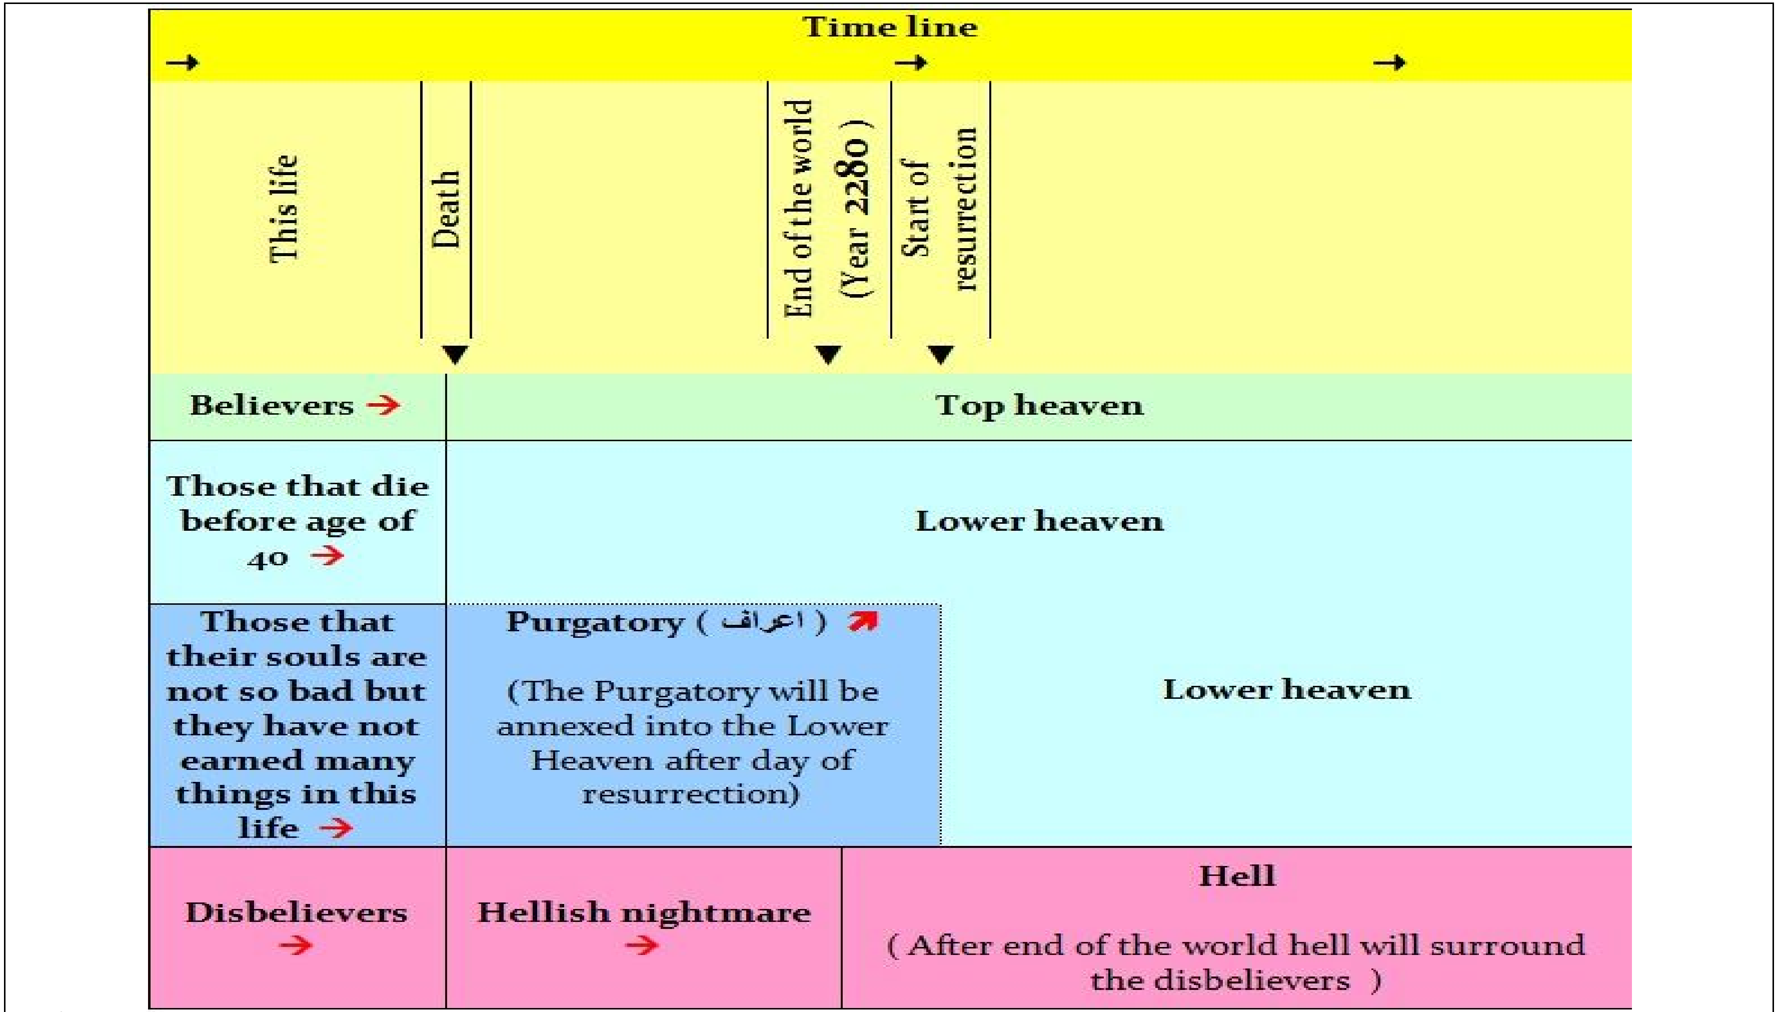

Hell has not been created yet, it would be created in day of resurrection (89:23). On that day, Hell will be brought forth. Our heaven is like a coin that has two sides. One side that we live in it now, another side will be brought forth in the day of judgment. At that day Hell will surround the disbelievers.

[89:23] On that day, Hell will be brought forth. On that day, the human being will remember - but what a remembrance - it will be too late.

God states in the Quran that Hell will be shown to the people of Pharaoh until day of judgment. From where that hell is not created yet, hellish nightmare will be shown to them until day of resurrection. Hellish nightmare will be shown to disbelievers until hell is created. Disbelievers

will be in sleep mode (with hellish nightmare) until end of the world.

[40:46] The Hell will be shown to them day and night, and on the Day of Resurrection: "Admit Pharaoh's people into the worst retribution".

Prerequisite to repentance

Confessing is a important prerequisite to repentance. Someone who that is not too proud should admit his mistakes and sins. Human do not must defend his self. We do not must say "I'm innocent". Please hear a guilty confession in the Quran.

[12:53] I do not claim innocence for myself. The self is an advocate of vice, except for those who have attained mercy from my Lord. My Lord is Forgiver, Most Merciful."

No human can claim innocence and purity. Only God is pure and good. Even the Prophets did sin. Sensuality and human being are not good objects for defending. Confession and then repentance is what God favored us in Quran's example. God has mentioned every example in the

Quran. God is merciful and beneficent, and each time he accepts repentance from His servants.

49	Who is dearest to you?

Who do you love the most?
Who are you most passionate and zealous about him?
Who is dearest to you?

When a person insults your dearest, what is your action about him? Certainly every person that is dearest for you, you are zealous about him. Is God dearest to you? You can find your dearest with simple question. Are you zealous about God or about prophets more? Hundreds of people near you insult God in a day. Many Hadith insult God since 1400 years. Muhammad was a prophet and servant of God. But after a while, became

an idol. Now many of Muslims (99% of them) mention name of Mohammad in their contact prayers. Idolatry is the greatest injustice, injustice against God. All Muslims are silent about this. They are silent about injustice against God.

[31:13] Recall that Luqmãn said to his son, as he enlightened him, "O my son, do not set up any idols beside God; idolatry is a gross injustice."*

Who is dearest to you?

The answer is very simple. Idolatry is a gross injustice. From here it is clear that God is not dearest for Muslims. We must love God more than anyone else. God must have first place in our hearts. Hadith books are publishing idolatry. Idolatry is a gross injustice against God. If God is dearest to you than any other person, protest against idolatry in Hadith books. I am certain that many of you have not seen the hadith books. It is read for you by other persons. You do not must be silent about this.

How will you feel if you take care of a child, give him the best education, and prepare him for life, only to see him thank someone else? God take care of you, give you all things, give you life, give you child, and give you home. Now you are zealous about another! You do not must be silent about this.

50	Surprise

Suppose a person has not seen his family for twenty years. Now, twenty years later finds them. These are moments of surprise for his family. They are very happy. His family is shocked. Merciful God in the Quran has mentioned several examples of surprise.

وَلَمَّا دَخَلُوا۟ عَلَىٰ يُوسُفَ ءَاوَىٰٓ إِلَيْهِ أَخَاهُ ۖ قَالَ إِنِّىٓ أَنَا۠ أَخُوكَ فَلَا تَبْتَئِسْ بِمَا كَانُوا۟ يَعْمَلُونَ

[12:69] When they entered Joseph's place, he brought his brother closer

to him and said, "I am your brother; do not be saddened by their actions."

When God want use surprise in the Quran, he uses the phrase "Annie Anna" (اني انا). Joseph has not seen his brother for many years. Now he wants to introduce himself to his brother, says, "**Annie Anna Akhouka**".
Now hear another surprise in the Quran. This time God wants to surprise his servants. God uses same phrase "**Annie Anna**".

نَبِّئۡ عِبَادِيٓ أَنِّيٓ أَنَا ٱلۡغَفُورُ ٱلرَّحِيمُ

[15:49] Notify Me servants that I am the Forgiving, Merciful.

Who will understand the importance of surprise on above Verse? Unfortunately, none of the above news is happy for people, is not even shocking. God is Forgiving, Merciful. God forgives all sins. Just ask him for forgiving. When God talks to Moses, uses the same phrase to

introduce himself to Moses. Imagine Moses in the holy valley, after hearing the voice:

[20:12] I am your Lord; remove your sandals. You are in the sacred valley, "Tuwa".

Verse 15:49 must be exciting for us like 20:12 or like 12:69. God is merciful to His servants.

[15:49] Notify Me servants that I am the Forgiving, Merciful.

Phrase "Annie Anna (اني انا)" that is used for surprising news is used five times in the Quran; it is used in the following verses:

1- Annie Anna Rabuka at 20:12
2- Annie Anna Alghafurun Rahim at 15:49
3- Annie Anna Allahu rabul Allamyn at 28:30

4- Annie Anna akhuka at 12:69
5- Annie Anna alnazeerol almobyn at 15:89

It is interesting that five above verses are the 19 words. God is glorified.

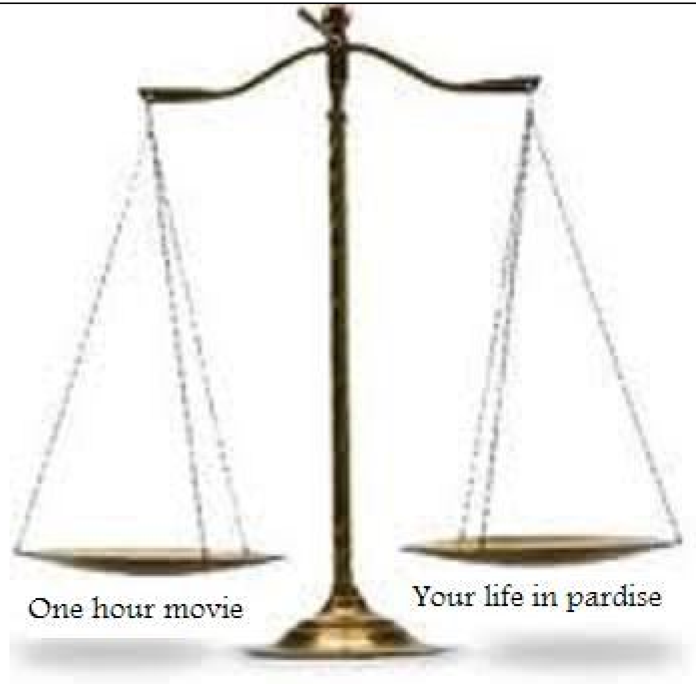

51	Forgetting God

Economic conditions in Germany during World War II were hard and difficult. People were coming into the restaurant and order food; they immediately pay money on food because it feared that until end of the meal, price goes up and become more expensive. This situation was uncomfortable for the people. Instability of prices, going up cost moment to moment.

Such a situation now exists in many countries. Everyone will forget God and refuse to learn from God, God gives him a hard situation. German people lived in the illusion of racism. They had forgotten God, so God gave them a hard situation. Those who ignore the God, the life will be miserable for them. Those who God is not important in their life, the life will be miserable for them.

[20:124] "as for the one who disregards My message, he will have a miserable life, and we resurrect him, on the day of resurrection blind."

52	Many people are so wrong in their taught

In the Day of Judgment the guilty people will swear that they lasted in this world only one hour. Suppose that someone will suggest you see a film. This film will be produced according to your desire, according to what you will. But instead of this film, he steals all of your life. A person who gives you such a proposal is the devil. Instead of displaying one hour

film, you will lose eternal life in heaven. Is your life lower value than one-hour movie? That is the real schema of this world. We are so wrong in our taught.

[30:55] On the day when the Hour comes to pass, the guilty will swear that they lasted (in this world) only one hour. That is how wrong they were

53	God created human,Why human want create god?

When human rebelled against God, he tried to put "God" in accordance with his wishes. Rebellious human wants to bring God under his control. Human can not see God, he can not touch God; therefore with the intervention of the devil; human tries to attach God to the earth, by this method human tries to bring God under his control. Therefore man

creates "gods" in this way with other characteristics, strengths and attributes. Therefore human defines godly and holy attributes for other creatures and through this, idol would be created. When human want create and define god, in this case he is in idolatry. Children of Israel wanted Moses to make an "earthy god" for them.

[7:138] We delivered the Children of Israel across the sea. When they passed by people who were worshiping statues, they said, "O Moses, make a god for us, like the gods they have." He said, "Indeed, you are ignorant people.

[7:139] "These people are committing a blasphemy, for what they are doing is disastrous for them.

One of the important characteristics of God is hearing and answering voice of all. But the devil set this attribute to other creatures. Satan has created many places with different names around the world for

intercession. Human with evil tendencies will define God according to his desire; the result is creating the gods on earth. Almighty God is the only One who is a deity in the **heaven** and a deity on **earth**. God is the only one on earth and in the heaven too. God is not in double or triple mode. God is in one mode. There are no two modes for God (one mode in earth and another mode in heaven). If God was in two modes, why children of Israel could not see him (2:55)? God is in one mode. This is the base of monotheism.

[43:84] He is the only One who is a deity in the heaven and a deity on earth. He is the Most Wise, the Omniscient.

Human create idol in six steps:

1- human rebelled against God →
2- human want create the "earthy god" →
3- human want create the "god" with accordance with his wishes →

4- human is creating another god beside God on earth (without feeling) →
5- human define God in two modes →
6- Now human has two gods, one mode for heaven (God) and another mode for earth (god)

Almighty God is the only One who is a deity in the **heaven** and a deity on **earth**.

54	If people only told what they believe

If people only told what they believe.
If only they had believed in what they do.
If only they say what they do.

[26:224] As for the poets, they are followed only by the strayers.
[26:225] Do you not see that their loyalty shifts according to the situation?
[26:226] And that they say what they do not do?
[26:227] Exempted are those who believe, lead a righteous life, commemorate God frequently, and stand up for their rights. Surely, the transgressors will find out what their ultimate destiny is.

I know a person that does not pray, but when you mention name of "Mohammad" simply (without Salawat), he argues with you one hour about this! He mention name of God simply "God", but when he mention name of Mohammad, he mention many titles and Salawat. Is not God greater than Mohammad?

[39:45] When God ALONE is mentioned, the hearts of those who do not believe in the Hereafter shrink with aversion. But when others are

mentioned beside Him, they become satisfied.

Hadith and Sunna in Muslim countries have led people to the degradation and destruction. Dozens are killed daily in Pakistan and Afghanistan on sectarianism. How ugly is killing people for sectarianism! Has God ordered people to kill? Damn to evil. Islam is a religion of logic and conversational. Islam does not order killing people.

55	The question that do not must be unanswered

a- Is Islam order killing people?

b- or Some group of Muslims order killing people

Many of people do not want think about difference between two above statements. How sad that this question will continue to remain unanswered because many people in the world lack true knowledge about Islam. Many of people do not know difference between Islam and Muslim. They think that Islam is current condition of Muslims. Current condition of Muslims is not what Quran saying. Many people in the world lack true knowledge about last book of God (Quran). They are mixing Quran with hadith and Sunna. Current condition of Muslims is following some books named "hadith and Sunna". Hadith and Sunna are not books of God. They are books of Satans. This was tragedy since human were created. When God send a book to humankind, separately Satan will fabricate some books beside book of God. When God send a sign, Satan will fabricate a sign (lie) too. When Rashad Khalifa write a book named "Satanic verses" about two satanic verses (9:128,129), a Satan messenger named Salman Rushdie wrote a book with same name (Satanic verses).

May be you have heard about the book of Rushdie, but I could not find a person that has read that book completely. Because the book of Rushdie is so nonsensical and meaningless that no one can tolerate to read it completely. Muslims are following books that they have not read them completely. You can not find more than ten people in the world that have read the hadith books completely. Is not interesting for you? God does not order killing people. It is hadith books that order killing people. God could stop Muslims from following hadith books, but he does not stop. God could stop Christians from trinity, but he does not stop. God can do anything He wants to do. If you are thinking that Islam is religion of war, you are contradicting what you have taught in your life. Quran is mathematically coded. That code proves it is from God. God does not order killing people. We must believe that whatever happens is world, is under control of God. No event can escape from God's will. If you believe in God really, you must remove this taught from your mind. All the wars

of prophet Mohammad was because of defending. If one person attacks you and destroys your home, what is your action? Come and study one of verses that command Prophet Mohammad to fighting.

[9:13] would you not fight people who violated their treaties, tried to banish the messenger, and they are the ones who started the war in the first place? Are you afraid of them? God is the One you are supposed to fear, if you are believers.

If you see the verse 9:13, you will realize that it is God that command prophet Mohammad to fighting. God does not entreat of one to accept the Quran as a book of scripture. He just wants mercy to mankind. And precisely God created us for this. The Most Merciful has created us on this earth to give us another chance to denounce our original crime and to be redeemed.

[11:119] Only those blessed with mercy from your Lord (will not dispute

the truth). This is why He created them.* The judgment of your Lord has already been issued: "I will fill Hell with jinns and humans, all together."**

One day they will realize that the Quran is God's book. That day, all people will realize that all the wars of prophet Mohammad were for self-defense. That day is not too late. God is great.

56 Fuel of hell

There is no friendship and mercy between hell people. There will be enmity and damnation between the people that are in hell. Some people think that they will be friend in hell. They do not know that there is no friendship and love in hell. There is not even one minute relaxing. Anyone sitting in hell, he would curse his neighbors. There will be no mercy, and

love and relaxing in hell.

[7:38] He will say, "Enter with the previous communities of jinn and humans into Hell." **Every time a group enters, they will curse their neighbor group**. Once they are all in it, the latest one will say of the previous one, "Our Lord, these are the ones who misled us. Give them double the retribution of Hell." He will say, "Each receives double, but you do not know."

In this world if you're sad, you can pray to God to give you gladness and peace. If you're depressed in this world, you can walk in the open air to reduce your depression. But in hell; you can not pray to God. You can not even speak and sympathize with your neighbors.

[83:15] indeed, they will be isolated, on that day, from their Lord.

Hell is a great misfortune. Save yourself from hell. A person in hell does not help his neighbor. Every person in hell is enemy of all. For such reason God in Quran says that the people are fuel of hell, because the people in hell are not united and friends. Therefore every person in hell is enemy of his neighbors. Therefore every neighbor in hell is great pain and ache. When God say "Fuel of hell is people", it means great pain and ache

is from the neighbor. Protect yourselves and your families from the Hellfire.

[66:6] O you who believe, protect yourselves and your families from the Hellfire whose fuel is people and rocks. Guarding it are stern and powerful angels who never disobey God; they do whatever they are commanded to do.

It is interesting that Arabic phrase of "its fuel is people and rocks" is: "waqoudouha nasoo walhejaarat" **"وقودها الناس و الحجاره"**

This part of verse is 19 letters. The identifier of verse is 66:6

57	General duty

In the Day of Resurrection, no one can say that I did not know "God is

our lord". In that day, no one can say that I was the follower of religion of my fathers. In that day, no one can say that God has not sent to us a messenger. Every human being is born with an instinctive knowledge about God. All human from all races have answered one question from God before their born: "Did I not your Lord?" all human said, "Yes". It means that all human (religious and irreligious) know that only God alone is controlling and doing every thing.

[7:172] Recall that your Lord summoned all the descendants of Adam, and had them bear witness for themselves: "Am I not your Lord?" They all said, "Yes. We bear witness." Thus, you cannot say on the Day of Resurrection, "We were not aware of this."

[7:173] Nor can you say, "It was our parents who practiced idolatry, and we simply followed in their footsteps. Will You punish us because of what others have innovated?"

Therefore God before the creation of Adam has attached "God is Alone Lord" to life of all human. All people of the world should believe in God, even at last moments of their life, even if God does not send a messenger to them. This is minimum message that all people of world must believe in it, even if there is no messenger between them, even they live alone, even they live in cave.

58 Incuriosity

One of the reasons that people cannot get rid of sins is internal lie. Do not be apathetical to the sins that you see. Always tell the truth. Always tell the truth, even if it is upon you. If you are apathetical to your environment, hypocrisy will grow within you; therefore you cannot leave even a small sin. You cannot repent of your sins. Repentance is a prerequisite to the leaving sins. I know someone who does not pray in his work environment. Those who speak the truth in their environment, they will have a bland life and good conscience.

[39:33] As for those who promote the truth, and believe therein, they are the righteous.

[33:8] Subsequently, He will surely question the truthful about their truthfulness, and has prepared for the disbelievers (in this Quranic fact) a painful retribution.

[33:24] God will surely recompense the truthful for their truthfulness, and will punish the hypocrites, if He so wills, or

redeem them. God is Forgiver, Most Merciful.

59	Perception of God's position

The main problem of human kind is that they do not understand the God's position and they do no

feel real God's rank. The human kind does not understand the God's power and His magnificence. There are many signs that confirm this subject that the main problem of mankind is that they do not understand God's power and His magnificence. The one who say the name of Mohammad in praying, he has one of two mental positions.

a- He does not understand who is God

Or

b- He does not know who Mohammad was. He does not know what duty of Mohammad was.

The one who perceive God's rank and His power does not permit himself to say another name in his praying. The one who know that God has created all heavens and earth does not mention Mohammad in his praying. If he knew that Mohammad was human like him, he would forget all persons except God. If he knew that Mohammad was not able to defend himself in his life, he would forget all entities except God almighty.
If you ask a person who has created heavens and earth, he would say: God. If you ask him who has created life and death, he would say: God. If you ask him who has gave you home and car, he would say: God.
Therefore why he call God's name "God" simply? But when he hear name of Mohammad, he

constantly make Salam and Salawat upon him? Are the affairs of God (that has done for him in life) less than affairs that Mohammad did for him?

60 Praise be to God, Lord of the universe

God will give every human clear signs through life. But they do not see it. For example some of people say:

"If God give me clear sign like much money, I will believe in God totally"!

Or they say:

"How can I believe in God when I am poor"?

This is what some people think. They can not see many clear signs in their environment and in their body. Suppose you have one million dollars, but half of your face is burned. Do you give that money instead of safe face? Yes you give it. This is clear sign that you have, but we do not see it. Safe body

is clear sign and gift from God for every human. God has given many things to us, but we do not want remember them.	
61	Death is better than to be slave of Satan

We were already in heaven and lived in complete happiness. But our souls rebelled against God. At that time, God could get us and put us into hell. But God gave us another chance. We need to see ourselves as God had judged it, because we were on Satan side. God wanted us to see our own souls. God wanted us to see our own bad souls. To be clearing that Jinns and Humans select hell by their

own choice. God created us to have mercy upon us.

The Most Merciful has created us on this earth to give us yet another chance to denounce our original crime and to be redeemed. God does not put a single person in Hell; they choose and insist upon going to Hell. (Rashad Khalifa)

[11:119] only those blessed with mercy from your Lord (will not dispute the truth). This is why He created them.* the judgment of your Lord has already been issued: "I will fill Hell with Jinns and humans, all together."**

He knew a few persons between humans and Jinns will deserve Paradise. So He gave another chance for us to have mercy on us and save us from the fires of hell. So God says in verse 30 of Sura 2 to angels that I know something that you do not know. God knew that few humans and Jinns will be able to repent.

[2:30] Recall that your Lord said to the angels, "I am placing a representative (a temporary god) on Earth." They said, "Will You place therein one who will spread evil therein and shed blood, while we sing Your praises, glorify You, and uphold Your absolute authority?" He said, "I know what you do not know."

All punishment is reflection of our real souls. We'll try to; we are in test. We must restrict our attention to the test. Anybody that is playing in the test can be accepted? Surely not? God has some commandment for us in his final book (Quran) to passing the test. God has decreed for us some commandments that must be we did. It is not only suggestion. It must be done. God does not play with the earthen people.

[44:38] we did not create the heavens and the earth, and everything between them, just to play.
[44:39] we created them for a specific purpose, but most of them do not know.

Many of people (approximately all) know very well what God want from them to do, but they do what their soul desire. They do not understand the importance of this test. If we do not do commandments of God, we would be slaves of Satan. Death is better than to be slave of Satan. If you knew how much is enjoyable doing God's commandments, you never ignore His orders.

62 No to Sects

Every day in the world sectarianism creates bad events (Pakistan, Afghanistan, Israel, and Myanmar and …). It makes many people in the world spending reading thousands of books about their sects. It teaches the people of sect that those are the best people in the world. It gives a reason to person to reject his classmate only because of belonging to another sect. sectarianism causes people to give much money to their religious leader for protecting the sect. sectarianism is so bad that cause people defend their sect even they do not do

according to it. They clearly find the small problems of other sects, but they do not see big problem of their sect. why? They do not marry with people of other sects. They do not trust in best person because he is not into their sect. they trust in worst person because he is from their group. This is sectarianism. There is no need to another definition.

[3:19] The only religion approved by God is "Submission." Ironically, those who have received the scripture are the ones who dispute this fact, despite the knowledge they have received, due to jealousy. For such rejecters of God's revelations, God is most strict in reckoning.

[6:169] Those who divide themselves into sects do not belong with you. Their judgment rests with God, and then He will inform them of everything they had done.

[7:29] Say, "My Lord advocates justice, and to stand devoted to Him alone at every place of worship. You shall devote your worship absolutely to Him alone. Just as He initiated you, you will ultimately go back to Him."

63 Do not distort the creation of GOD

Do not manipulate God's creation. Some people with no medical reason do surgery for their body parts for more to be beautiful (in their view). This is one of the tricks of the devil. I know someone who did surgery of her nose without a medical reason. But after a year, now she must repeat surgery every year, because her nose after surgery brings extra meat each year, and this makes it difficult for her to breathe. Changing the creation of God will enter person to a canal that she/he can not feel relax. Satan wants command people to distort the creation of GOD. God is best painter and best designer. Homosexuality is great crime against God's creation. Those that change God's creation will not feel relax.

[4:119] "I will mislead them, I will entice them, I will command them to (forbid the eating of certain meats by) marking the ears of livestock, and I will command them to distort the creation of God." Anyone who accepts the devil as a lord, instead of God, has incurred a profound loss.

64 Invisible slavery

Today, crime exists in everywhere. Some sins are obviously doing, but some sins are internal. Satan is currently focused on the development of internal sins. Many people are overwhelmed with sexual desires. They are sinking in sexual taught. Even those who are married enjoy watching immoral movies. Many of men and women love treason movies. Internal sin is taking the entire world.

[30:41] Disasters have spread throughout the land and sea, because of what the people have committed. He thus lets them taste the consequences of some of their works, which they may return (to the right works).

Many of people are slave of their sexual illusions. When they see a man or woman, they only see the sexual parts. They are completely slaves of Satan. Satan has filtered the

world for them. They only see the very small part of the world. Only God has absolute solution for how such peson was saved from slavery. Imagine a person who is stuck in a quagmire. If he thinks he is living in the good place, he does not try to save himself, because he is so happy with life in quagmire. But if he understands that another life is found to be very different than life outside the swamp, he will be waken up. He must realize that the life in quagmire is not "life" at all. It does not matter if he wants to be good or to be bad in swamp. He should realize that he is a slave of Satan in the swamp. It does not matter if he thinks that he is enjoying in swamp. Who that instead of enjoying his/her wife, enjoys pornographic films, should know that he/she is slave of evil. His Jinn companion has accessed control of his mind. This is a type of mental illness. This illness is most dangerous. In this case there is only one way and that is to be moved from darkness by God. He must go to God and submit to God alone totally (37:99). Someone who is stuck in the swamp, it does not matter if he wants to be bad or good. If he does not leave the swamp, he can not get rid of Satan and he can not get rid of slavery. God wishes to cleanse us. After leaving the swamp we must cleanse our body as God ordered us in 5:6.

[37:99] He said, "I am going to my Lord; He will guide me."

[5:6] O you who believe, when you observe the Contact Prayers (Salat), you shall: (1) wash your faces, (2) wash your arms to the elbows, (3) wipe your heads, and (4) wash your feet to the ankles. If you were unclean due to sexual orgasm, you shall bathe. If you are ill, or traveling, or had any digestive excretion (urinary, fecal, or gas), or had (sexual) contact with the women, and you cannot find water, you shall observe the dry ablution (Tayammum) by touching clean dry soil, then rubbing your faces and hands. God does not wish to make the religion difficult for you; He wishes to cleanse you and to perfect His blessing upon you, that you may be appreciative.

65 Thanksgiving part 1

We can not count God's blessing. If we write God's mercy and blessing every day, after end of year, your writings show that How you are thankful to God. If your writings are a

few pages, it shows that you are not thankful.

I am a Muslim. There are not Muslims (or exists very few) that have devoted some days in year to thanking God. This week is Thanksgiving week in America. They thank God in this week. But Muslims have many days for their saints. Aashuraa and Taasuaa are some days that many of people remember their saints instead of God. It is God's will that these two accidents (Thanksgiving and Taasuaa) are in one week in year 2012. First is for God, but second is for Other than God. What is better?

Can you find a Muslim that thanks God for so much petrol and fuel that God has given them? No I can not find.

How will you feel if you take care of a child, give him the best education, and prepare him for life, only to see him thank someone else? God take care of you, give you all things, give you life, give you child, and give you home. Now you have specific days for remembering your saints instead of remembering God almighty.

66

Thanksgiving part 2

Sometimes the simple method is best method. Some people insist on not eating simple foods and drinks; they choice non natural foods. They do not zoom on water that they drink.

[56:68] Have you noted the water you drink?

[21:30] Do the unbelievers not realize that the heaven and the earth used to be one solid mass that we exploded into existence? And from water we made all living things. Would they believe?

In the above verse the Arabic pattern "from water we made all living things" is **19** letters.

جعلنا من الماء كل شيء حي

Yes, God has made all living things from Water. When God say all things, it means all things. Word Water in Arabic is "الماء"that its Gv is 73. Word life in Arabic is "الحيوه" that its Gv is 60.

73+60 = 133 = 19*7

[51:22] In the heaven is your provision, and everything that is promised to you.

[13:4] On earth, there are adjacent lots that produce orchards of grapes, crops, palm trees - dioecious and non-dioecious. Although they are irrigated with the same water, we prefer some of them over others in eating. These are solid proofs for people who understand.

[8:11] He caused peaceful slumber to overtake you and pacify you, and He sent down water from the sky to clean you therewith. He protected you from the devil's curse, reassured your hearts and strengthened your foothold.

[11:7] He is the One who created the heavens and the earth in six days -* and His (earthly) domain was completely covered with water -** in order to test you, to distinguish those among you who work righteousness. Yet, when you say, "You will be

resurrected after death," those who disbelieve would say, "This is clearly witchcraft."

Please see some advantages of water in the below link:
http://blogs.tribune.com.pk/story/13945/11-advantages-of-drinking-water/

(((Approximately 70% of our body's mass is made of water and according to a number of doctors, drinking a total of eight glasses of water a day fulfils the necessary requirement of this liquid our body demands.

For a long time now, I have been searching regarding the benefits associated with water. Finally, after reviewing countless websites, I have compiled a list, highlighting the advantages of drinking water that can surely help you in living a healthy life. So, here are the 11advantages of drinking water:

1) Water is the only liquid on Earth that safely reduces weight. It removes the by-products of fat and keeps you fresh and healthy. Drinking water regularly, suppresses your appetite to a great extent and limits your food intake. Another distinct feature of water is that it literally contains no calories, hence, contributing significantly to weight loss

2) Do you want to look younger? Problem solved! Just drink lots of water every day! Water is a

perfect replacement for your expensive ageing treatments. It moisturises your skin and keeps it fresh and glistening thereby enhancing its overall appeal. In addition, it helps maintain the elasticity and suppleness of the skin and prevents dryness by detoxifying the skin. Hence, one should strictly avoid dehydrating foods and beverages such as caffeine (cola, chocolate, coffee, tea) and alcohol

3) Drinking enough water can also combat skin disorders such as eczema, psoriasis, dry skin, wrinkles and spots

4) Water is an essential component required for the effective working of our body since body parts including our brain and the various tissues are mostly composed of water. Considering this, water can significantly improve our ability to think and make us energetic too.

5) Water removes toxins and most of the waste products from our body contributing to a healthy quality of life. If our body lacks water then our heart has to make an extra effort to pump fresh oxygenated blood to our organs causing severe health issues

6) A study conducted in the Loma Linda university in California, involving 20 men and woman in the age range of 38 to 100 years, concluded that those who drank enough water throughout the day were less likely to have a heart attack (41% in women and 54% in men). Hence, it can be suggested that if you substitute water with milk, tea, coffee or other beverages then you will have increased

chances of incurring a heart attack, with a precise rate of 50% in women and 46% in men.

7) Water helps to relieve headaches and back pain. Although there are many reasons that contribute to headaches, dehydration is one of the most common ones

8) Regular intake of water increases your metabolic rate and improves your digestive system. If you are constipated, try drinking more water - it can work wonders!

9) Drinking plenty of water helps fight against the flu and other ailments like kidney stones. Water, along with lemon or lemon juice is often used to overcome respiratory diseases, intestinal problems, rheumatism and arthritis. On the whole, water plays a fundamental role in strengthening your immune system

10) Research suggests that drinking substantial amounts of water is likely to reduce the risks of bladder and colon cancer. This is because water has the ability to dilute the concentration of cancer-causing agents in the urine and reduce the time they take to come in contact with the bladder lining

11) The human body needs a neutral Ph 7 range in order to function properly. Drinking enough

water throughout the day helps maintain this balance.

Given that dehydration, “the excessive loss of body fluid” can be a major source of aggravating one’s health, it seems obvious that drinking sufficient water is of utmost importance for a healthy lifestyle. Water determines the effective functioning of the body and a healthier body means a happier life!

)))

Sometimes simple method is best method. We must be thankful for water that we eat. Do you know that GV of letter "W" in Arabic and Hebrew is 6? Therefore the statement "World Wide Web" means WWW or **666** **(for more info about 666 refer to www.universalunity.org).** Is the internet bad for you? We must be thankful for having a tool like internet. If God had not given us WWW, we could not find right path in Islam. If God had not given us WWW, we could not get rid of hadith and sunna. WWW is a gift for you. Thanks God for all of his blessings.

67	Satan's footsteps

Satan's footsteps

A new study has showed that people who are doing sin, experience more pleasure than people who do not sin! With language of researcher "Guilt Makes the Pie Taste Sweeter."

link : http://www.psmag.com/health/guilt-makes-the-pie-taste-sweeter-49624/?utm_source=feedburner&utm_medium=feed&utm_campaign=Feed%3A+miller-mccune%2Fmain_feed+%28Pacific+Standard+-+Main+Feed%29

((((Many of us who generally maintain a healthy diet will fall off the wagon over the upcoming holidays. We'll be offered a particularly enticing appetizer or dessert and, after some initial hesitation, indulge.

While that process inevitably produces internal conflict, it turns out we are rewarded for our discomfort. According to newly published research, the guilt we feel may make that decadent treat taste even more delicious than it otherwise would.

When succumbing to temptation, "people who are primed with guilt subsequently experience greater pleasure than people who are not," reports a research team led by Kelly Goldsmith of Northwestern University's Kellogg School of Management. "People lack awareness of this automatic process."

Writing in the Journal of Marketing Research, Goldsmith and her colleagues describe six experiments that provide evidence for their thesis.

One of them started off with the 40 participants, all female undergraduates, looking at magazine covers. Half of them surveyed six covers, four of which were health-related; the others saw six that had nothing to do with the topic.

Next, all participated in what was described as a "taste study" of a product that was being test-marketed. They were presented with a chocolate candy bar, and asked to evaluate it.

Those who had just been reminded of the importance of healthy living—and who presumably felt at least a twinge of guilt eating the

chocolates—reported “liking the candy more significantly more” than those in the neutral group.

In another study, 108 undergraduates were assigned to one of three groups. One-third of them “were asked to think about three to five events that made them feel guilty, and to write several sentences about each one.” Another third ruminated and wrote about things that made them feel disgusted. The final third simply wrote about something they did that day.

A taste study followed, in which each participant ate a chocolate truffle and rated their enjoyment on a nine-point scale. Those who had been feeling guilt reported liking the candy significantly more than those who had been feeling disgust, or those in the neutral condition.

Yet another experiment suggests this dynamic is not exclusive to food. Among a group of 64 women, those who had been similarly primed with thoughts of guilt got more enjoyment out of reviewing the online profiles of potential mates.

Goldsmith and her colleagues believe the concepts of guilt and pleasure have become linked in our minds, thanks to a combination of “personal experiences and observations” and the many references in the media to “guilty pleasures.”

After exposure to countless commercials, book titles, movie titles, and song lyrics reinforcing the idea, the “link between guilt and pleasure may become automatic and non-conscious over time,” the researchers write.

These findings could have practical consequences for public health campaigns. An ad that produces guilt about smoking could increase the pleasure one feels taking a drag on a cigarette, which “might actually reduce their likelihood of cessation,” Goldsmith and her colleagues warn.

If they’re right, guilt isn’t a useless emotion after all; it’s actually a counterproductive one. So don’t beat yourself up over eating those candied yams: it may only increase your craving for seconds. It turns out that forbidden fruit really does taste the sweetest.))))

Many of people are not aware of this natural and spontaneous mechanism. This mechanism of

taught is what Quran say.

[15:34] He (satan) said, "My Lord, since You have willed that I go astray, I will surely entice them on earth; I will send them all astray.

Satan whisperers the people for doing sins. Satan hypnotizes people in a way that seem to people that sin is sweeter. This mechanism (Guilt Makes the Pie Taste Sweeter) is what Satan does on all people. Satan force people to thinking that eating from the forbidden tree is sweeter. Satan throws out Adam and his wife from paradise by this trick. If forbidden objects are sweeter for us than non forbidden objects; it means that we work according to Satan rule. Satan whispers people to thinking that eating from the forbidden tree is sweeter. But this enjoyment does not take long time. After a while the guilty person is not satisfy with it and he wants more, he wants new sins. The people who are addicted enjoy some days, but after a while they search for dangerous substances. This is Satan's footsteps. Everyone that follow Satan's footsteps, Every step he will be more addictive.

[24:21] O you who believe, do not follow the steps of Satan. Anyone who follows the steps of Satan, should know that he advocates evil and vice. If it were not for God's grace towards you, and His mercy, none of you would have been purified. But God purifies whomever He wills. God is Hearer,

Knower.

Satan's footsteps

Step 1 : Satan whispers that the Sin is sweeter (forbidden tree is better for enjoyment)

Step 2 : Satan for some times whispers by Jinns more enjoyment to person

Step 3 : After some times, Satan will not whispers enjoyment to person (**important**)

Step 4 : Therefore the person feel discomfort because he does not feel joy by doing sin

Step 5 : Satan introduce a more dangerous sin to person

Step 6 : this cycle will continue from step 1 for new sin

Step 7 : after some times the person is so sinner that will go to hell

[3:14] Adorned for the people are the worldly pleasures, such as the women, having children, piles upon piles of gold and silver, trained horses, livestock, and crops. These are the materials of this world. A far better abode is reserved at God.

[6:43] If only they implored when our test afflicted them! Instead, their hearts were hardened, and

the devil adorned their works in their eyes.

[6:122] Is one who was dead and we granted him life, and provided him with light that enables him to move among the people, equal to one in total darkness from which he can never exit? The works of the disbelievers are thus adorned in their eyes.

[9:37] Altering the Sacred Months is a sign of excessive disbelief; it augments the straying of those who have disbelieved. They alternate the Sacred Months and the regular months, while preserving the number of months consecrated by God. They thus violate what God has consecrated. Their evil works are adorned in their eyes. God does not guide the disbelieving people.

[15:34] He said, "My Lord, since You have willed that I go astray, I will surely entice them on earth; I will send them all astray.

[35:8] Note the one whose evil work is adorned in his eyes, until he thinks that it is righteous. God thus sends astray whoever wills (to go astray), and He guides whoever wills (to be guided). Therefore, do not grieve over them. God is fully aware of everything they do.

68 Hereafter

What does it mean to believe in the Last Day?

Many people think that they believe in the Last Day. They know that the last and next day finally will be. But according to the Quran very few people in the world believe in the hereafter. Very few people really believed in the Day of Judgment. Who prefer this world to the next day; it means that he does not believe in the hereafter. Many people seem to agree on the next day, but they do not actually believe in it. Someone who prefers the mortal world to the hereafter, it means that he does not believe in the Last Day.

This world <- -> Hereafter

[42:20] Whoever seeks the rewards of the Hereafter; we multiply the rewards for him. And whoever seeks the materials of this world, we give him wherefrom, then he receives no share in the

Hereafter.

[16:97] Anyone who works righteousness, male or female, while believing, we will surely grant them a happy life in this world, and we will surely pay them their full recompense (on the Day of Judgment) for their righteous works.

Someone who believes in the Last Day, his priority must be last day. If it is necessary to give everything for that day, even his life. He must work for that day; he should strive to meet the Lord. Those who do not believe in the Hereafter, the actions and their works will be adorned in their eyes. Therefore, they blindly continue.

[27:4] Those who do not believe in the Hereafter, we adorn their works in their eyes. Thus, they continue to blunder.

[10:7] Those who are not expecting to meet us, and are preoccupied with this worldly life, and are content with it, and refuse to heed our proofs;

69	Satanic doubt

مَّا لَكُمْ لَا تَرْجُونَ لِلَّهِ وَقَارًا ۝١٣

[71:13] Why should you not strive to reverence God?

Human during the troubles think about God and ask God to help him. God will help him and the trouble will be solved. God answers all sincerely prayers without Exceptions. But after a while that

person will fall into a satanic doubt. The person will doubt that:

a- God solved his problem.

or

b- Laws of nature solved it.

He asks himself whether God solved the problem or by incidental of nature?

Suppose some children that are raised to think that parents have a duty to serve them. They do not thanks to the efforts of their parents. They think that their parents, like other parents have done their normal duties. This is the simple example of property of ingratitude and blasphemy against God, but it is done in a larger size for God.

One time the person wants house and money from God; finally God gives him. But after giving home, the person think that he has accessed home and money by normal efforts like other people. Because he does not see helps of God. Help of God is invisible; Only hearts can see it. The same selfishness that Satan uses to tempt people. This kind of selfishness causes that person think that everything eventually is for him. It is selfishness and ingratitude that caused disbelief. This

selfishness is causing forgetfulness of God. However, God does not deprive such person. He often helps that person that may he return to God. God is very patient and forgiver. Only God is absolute forgiver. God's help is invisible. It will be understood only by hearts. Those hearts that can understand God's help, God save them from hellfire. God does not help ungrateful people, because they will not help themselves.

وَإِذَآ أَذَقۡنَا ٱلنَّاسَ رَحۡمَةً مِّنۢ بَعۡدِ ضَرَّآءَ مَسَّتۡهُمۡ إِذَا لَهُم مَّكۡرٞ فِيٓ ءَايَاتِنَاۚ قُلِ ٱللَّهُ

أَسۡرَعُ مَكۡرًاۚ إِنَّ رُسُلَنَا يَكۡتُبُونَ مَا تَمۡكُرُونَ ٢١

[10:21] When we bestow mercy upon the people, after adversity had afflicted them, they immediately scheme against our revelations! Say, "God's scheming is far more effective. For our messengers are recording everything you scheme."

70	Alcohol in Muslim countries

يَـٰٓأَيُّهَا ٱلَّذِينَ ءَامَنُوٓا۟ إِنَّمَا ٱلْخَمْرُ وَٱلْمَيْسِرُ وَٱلْأَنصَابُ وَٱلْأَزْلَـٰمُ رِجْسٌ مِّنْ عَمَلِ
ٱلشَّيْطَـٰنِ فَٱجْتَنِبُوهُ لَعَلَّكُمْ تُفْلِحُونَ ۝٩٠

[5:90] O you who believe, intoxicants, and gambling, and the altars of idols, and the games of chance are abominations of the devil; you shall avoid them, that you may succeed.

Suppose you write a book about your ideas. After some years at future, when people ask your son about your ideas; he introduces other books about your ideas. If you be live, what do you do with

your son? Hadith and Sunna have stolen the meaning of Islam. When a religion has lost its real meaning, its followers will follow Satan unwillingly. Many meaningless commandments in Hadith and Sunna has caused that people ignore the commandments of Quran too. God has commanded clearly in Quran that **intoxicants are from Satan, but many of Muslims drink it.** Economist newspaper has reported that between 2001 and 2011 sales of alcohol in the Middle East, where Muslims live, grew by 72%, against a global average of 30%. This percent is very great warning for Muslims. **Due to false and meaningless commands in the books of Hadith and Sunna, the Quran commands has lost its importance and impressive.**

Sobering thoughts

Alcohol in Muslim-majority countries

	Consumption*	Status; drinkers
Egypt	0.37	Legal; the poor at home, the rich in posh hotels
Iran	1.02	Illegal with exceptions; Tehran party-goers, home-brewers
Lebanon	2.23	Legal; the secular-minded wealthy
Libya	0.11	Illegal; the Qaddafis before their fall
Pakistan	0.06	Illegal with exceptions; the secular-minded wealthy
Saudi Arabia	0.25	Illegal; foreign diplomats (smuggled booze)
Turkey	1.87	Legal; Raki-swilling men, non-AKP members

71 God must be our best memory

Remember God so much that be a good memory for you. Some people, when they remember their fathers and past traditions; they appreciate their fathers and their past traditions. For example, they say that our fathers were very good or say that our past civilization was very advanced in the past! But unfortunately these people do not devote this praises to God. They only praise and refer to God when the earthquake or bad event happened! Those people must praise and remember God as well as remembering past civilizations and their parents. God must be our best memory in life.

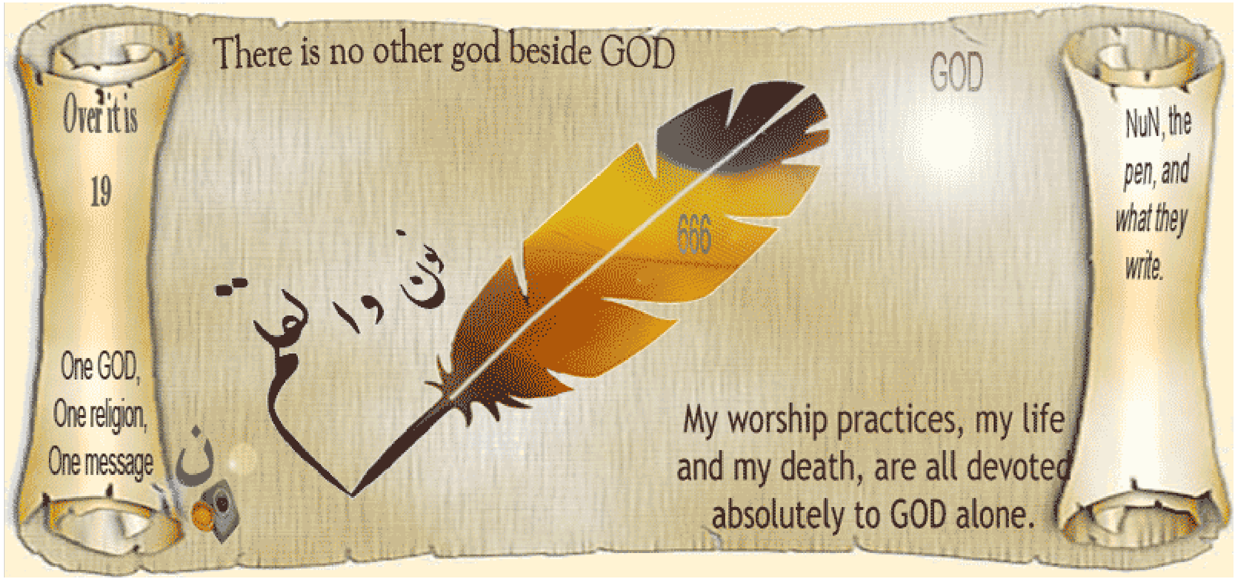

[2:200] When the ritual is to get fit, always remember God. As you remember your parents, or even better. Some people say: "Our Lord, give us in this world," while they have no share in the Hereafter.

أَلَمْ يَأْنِ لِلَّذِينَ ءَامَنُوٓا۟ أَن تَخْشَعَ قُلُوبُهُمْ لِذِكْرِ ٱللَّهِ وَمَا نَزَلَ مِنَ ٱلْحَقِّ وَلَا يَكُونُوا۟ كَٱلَّذِينَ أُوتُوا۟
ٱلْكِتَـٰبَ مِن قَبْلُ فَطَالَ عَلَيْهِمُ ٱلْأَمَدُ فَقَسَتْ قُلُوبُهُمْ ۖ وَكَثِيرٌ مِّنْهُمْ فَـٰسِقُونَ ﴿١٦﴾

[57:16] Is it not time for those who believed to open up their hearts for God's message, and the truth that is revealed herein? They should not be like the followers of previous scriptures whose hearts became hardened with time and, consequently, many of them turned wicked.
